- Teachers have the option of administering Term Final exams. However, all teachers teaching the same course must be consistent in either scheduling or not scheduling exams.
- Teachers must clearly communicate to parents and students how Term Finals will be factored into their semester grades (EOCs factored into their final grade). All teachers teaching the same course must be consistent with the Term Final % weight.
- The regular schedule of classes will be followed with the exception of those students taking an EOC.
- Other than studying for Term Finals, **no homework** may be assigned May 23-May 30th. For students with semester courses, no homework may be assigned May 29th. This includes long-term projects and studying for a daily quiz or test. All long-term projects should be due the week of May 19th.
- All semester courses must schedule their exams on the assigned day, May 30th. Students with multiple courses in a particular discipline should make arrangements with teachers about the scheduling of those exams.
- World Language Department reserves the right to interchange the “listening” and the “written” portion of their exam during the two assigned dates.
- Students with multiple World Languages should coordinate with their World Language teacher to schedule their exam during May 19-23.
- Humanities includes art, music, PE, and technology courses.
- Grades must be posted by Tuesday, June 3rd.
