

**Pine View 7th Grade Supply List
2014-2015**

As is always the case, any costs and requested donations found in individual course expectations are to assist in defraying the cost of supplementing and enriching the curriculum. *A simple note to the teacher declining to make any donation is all that is needed for your child to receive any of those supplies.* The 7th-grade team sincerely thanks our parents for their generous support. Check out teacher websites at <http://www.pineviewschool.com>.

We highly request and recommend purchasing the following items from our “School Supply Sale” as each item has been carefully selected by the teachers. See the summer issue of “Pine Views” newsletter.

Parents may wish to consider backpacks on wheels & umbrellas for students with classes in portables.

If your assigned teacher is not on this list, you will receive a supply list from your teacher on the first day of school.
