As is always the case, any costs and requested donations are to assist defraying the cost of supplementing and enriching the curriculum. A simple note to the teacher declining to make any donation is all that is needed for your child to receive any of these supplies. The Fourth Grade Team sincerely thanks our parents for your generous support. Visit PVA - sponsored "School Supply Days". See summer Pine Views for details.

Note regarding backpacks: Rolling backpacks need to be soft-sided and weigh less than 5 pounds empty. Almost all students are required to use the stairs and many backpacks are just too heavy for students to carry up and down the stairs. The weight of these devices results in students pulling them down the stairs and that can result in accidents and injuries to themselves and other people on the stairs.
