# PROGRESS REPORTS

Since students' grades are now available online, and in an effort to reduce paperwork, Progress Reports will no longer be sent home.

To view your child's grades, simply go to the Pine View website [www.pineviewschool.com](http://www.pineviewschool.com) and click on Parent Access.

If you do not already have a user name and password, this link will provide you with directions how to create one.

For those without access to a computer, you are always welcome to use our computers in the Media Center.

**Anyone wishing a copy of your child's Progress Report, simply complete the form below and return it to Guidance.**
