

Fifth Grade Supply List 2014-2015

Welcome to Fifth Grade!!

Please find your teams attached Supply List. You are responsible for purchasing the required supplies for YOUR TEAM only. You will notice that there are general supplies listed that are used for every class. Additionally, there are specific supplies for your LA, Math, Social Studies, and Science teachers. You only need to buy supplies for the teachers you have been assigned. For example if you are in Mrs. Spies homeroom you will only buy her LA supplies.

As always, Pine View School for the Gifted and Talented **donations** are to assist in defraying the costs of supplementing and enriching the curriculum. If you are unable to make a **donation**, please inform your child's teacher so that the supplies can be provided. The 5th grade team sincerely thanks you for your generous support.

DONATIONS:

Please make **donations** using separate checks written for each specific subject, made **payable to PINE VIEW SCHOOL**. Please wait until the first day of school to write the checks in case prices have changed unexpectedly.

1. Language Arts: \$16.00 Vocabulary Workshop
2. Science: \$3.00 Labs

BACKPACKS:

All 5th grade students are required to carry their backpacks up and down the stairs in Building 16. It is for this reason that **rolling backpacks need to be soft-sided and weigh less than 5 pounds empty**. Many backpacks are too heavy for students to carry up and down the stairs. The weight of these devices results in students pulling them down the stairs and that can result in accidents and injuries to themselves and other people on the stairs. Most books are not required to be carried by students at all times, and teachers will be mindful of what is required to be carried in the backpack.

Any students may bring their **Homeroom Supplies only** with them to meet the teacher day.

We look forward to a fabulous fifth grade year!

The Fifth Grade Teachers
