

Pine View 8th Grade Supply List 2014 – 2015

As is always the case, any costs and requested donations are to assist defraying the cost of supplementing and enriching the curriculum. A simple note to the teacher declining to make any donation is all that is needed for your child to receive any of these supplies. The 8th-grade team sincerely thanks its parents for their generous support.

Visit Pine View's "School Supply Sale." See the summer issue of "Pine Views" newsletter for details.
