Dear Pine View families,

*“Sandesa le ja re/O badra bahaar”* (“Take this message, o rain cloud”): **This year’s Pine View Fair rocked!** Beautiful skies, clear air, and friendly smiles greeted the hundreds of volunteers and fair-goers Saturday morning. Thanks to everyone for coming out for a gorgeous day together and for supporting the school. We raised more than ever, all of which goes directly to our clubs and classrooms.

Thanks especially to Valerie and Rob Orr, new PVA board members who took over the Fair and produced a top-notch experience for everyone. Without you, our fabulous volunteers, and our generous sponsors, we couldn’t have done it.

The above lyrics from *Queen*, one of India’s top films of the year, also reminds us that the weather has finally cleared for PVA’s biggest night of the year, Pinnacle. **“Sunsets to Saris” is this year’s annual silent auction and gala evening theme**, to be held on Saturday, November 22, the weekend before Thanksgiving. You may purchase your tickets online **and begin bidding for good** ([www.biddingforgood.com/pineview](http://www.biddingforgood.com/pineview)) today! Then eat and dance the night away at the Chelsea Center. Donations are still needed for the auction. If you run a business, have a talent, provide a service, or own a villa in the south of France, we would be grateful for your donation. Pine View relies on your generosity to be what it is, so check in with Meeru Fendt at [pinnacle@yourpva.org](mailto:pinnacle@yourpva.org) to learn more.

Thanks to Kati Burns and Alex Merkher, the Student Directory is on its way! Soon you’ll be able to connect with students and parents about parties and playdates, assignments and absolutely everything. Remember, you must re-up **every year** in order to appear in the directory, so please mark your calendar for June 2015 and visit [www.yourpva.org](http://www.yourpva.org).

Our third PVA meeting of the school year will be held at 7:00 p.m. on Election Day, Tuesday, November 4 in room 911 of the Media Center (so vote early...and often!). Meetings are held the first Tuesday of each month, so mark your calendars for **February 3, March 3, April 7** (PVA’s own election day and annual meeting), and May 5.

See you at Pine View!

# Principal's Perspective

Dear Pine View School Parents and Community:

What an amazing start to our fall weather in Sarasota, Florida! Pine View School wants to express how grateful we are for the incredible turnout at the Pine View Fair in October! This event, sponsored by PVA and chaired by the Orrs, would not have been such a huge success without countless parent and teacher volunteers. Our PVA, and President Camille Cline, are truly passionate and enthusiastic supporters of our students, our teachers, and our school- **they always go the extra degree!** In addition to a fun and enjoyable Saturday at Pine View, all of the proceeds directly go to support the activities our children experience everyday on campus. Again, thank you for your support!

Please join us for an exciting PVA-sponsored Pinnacle this year, on Saturday, November 22! This is **Pine View's 46<sup>th</sup> Anniversary, and our theme for this year is "East meets West: Sunsets to Saris."** This exciting evening of traditional Indian music, food, dancing, and entertainment will be held at the Chelsea Center in Sarasota. At the following url, you can see the online invitation with a complete list of generous donors who are making this fund-raising event possible.

[www.yourpva.org/PDFs/2014%20Pinnacle%20Inv%20&%20RSVP.pdf](http://www.yourpva.org/PDFs/2014%20Pinnacle%20Inv%20&%20RSVP.pdf)

All proceeds will go to help PVA support the tradition of excellence at Pine View in furthering our school-wide STEMSmart initiatives. It is only through the wonderful support of partners like PVA and the Gulf Coast Community Foundation that we were able to inaugurate eight new STEMSmart classrooms this year, and plan to open eight more in 2015-2016! The Raise the Paddle event will directly support these STEMSmart programs so stay tuned for more details! In addition to purchasing Pinnacle tickets and participating in an extraordinarily fun evening, there will be auctions, both in-person and silent. Please visit [www.biddingforgood.com/auction/auctionhome.action?vhost=pineview](http://www.biddingforgood.com/auction/auctionhome.action?vhost=pineview) to see a complete list of items for auction! Get your tickets early, and bid online **for special items**. This year's Pinnacle promises to be very exciting and enjoyable, and possibly a special surprise performance; **see you there!**

Our School Improvement Plan (SIP) was recently reviewed through faculty input, parent and student input through the School advisory Council (SAC), and has been submitted for approval. The SIP is aligned with our school mission, and based on measurable data. Pine View enjoys such a strong **tradition of excellence, and our students' successes are predicated on a rigorous environment where academic challenge is closely tied to the expectation that students are committed to social responsibility.** Our school-wide community service project this year will be partnering with Habitat for Humanity in building a house in the Sarasota area for a needy family. Stay tuned for more information and opportunities to get involved!

Among many academic goals challenging us to continue achieving at the 100% success level, we are also working on improving our attendance rates. Pine View enjoys the highest attendance rate of any school in Sarasota County, and we can still do better! The research is clear in the positive link between academic and social success and good attendance at school or work. To help those students who may need a little boost in getting to school on time, those students with excessive unexcused tardies or absences may be enrolled in the Pine View Early Morning Wake-Up Club. Members will receive a call from me at 6:30am with a special word of encouragement in arriving on-time. With improved attendance, students and their parents may choose to not remain members of the Club. A letter with detailed information will be sent to the student and parents of any student who may be eligible for the Club, and we appreciate your support in our efforts!

We appreciate all the positive support from the Pine View School parents and our community, and will continue to excel in our instructional and character development programs **together**. We encourage every parent to get involved at Pine View School in expanding our Tradition of Excellence- **Go, Pythons!**

# **Pine View Association (PVA)**

## **Is Pine View's Organization of Parents, Teachers, Staff and Supporters**

Pine View Association (PVA) works to enhance and enrich the educational experiences of our students -- by supporting our school's academic, social, fine arts, and technology objectives. PVA coordinates volunteers, raises funds, promotes communication between Pine View and our families, provides input to the school on issues of concern to our parents, and supports gifted advocacy on a local, state and national level. This is only possible with the help and dedication of our parent and community volunteers and donors, business partners, and staff. We do this because we want our bright and talented students at Pine View, our children whose futures are so abundant with possibility, to have every opportunity they deserve, every opportunity we can provide to them.

# Art News

from Retsy Lauer

With the winter season approaching, the Pine View Art Department is working steadily on a variety of projects to further **our students' education** and opportunities.

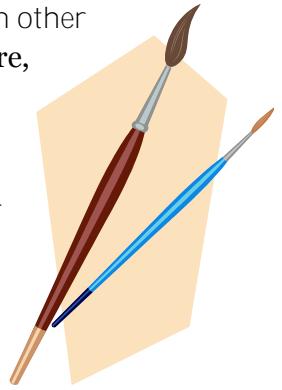

On Wednesday October 8, several students entered pieces into the Sarasota Bradenton International Airport Art contest and show. Pieces will be judged on originality, technique and execution, and visual impact of design. Last year the show included over 700 entries. The results for this, the eleventh annual spectacle, will be released prior to the conclusion of October, and all pieces will be available for viewing later in the year.

Another community organization, the Selby Public Library, is featuring its second annual Monster Art Show, also featuring artwork from seven of our fine students. **The applicants' submissions will be on display between October 20<sup>th</sup> and November 21<sup>st</sup> and be published in a widely accessible e-book format on the ISSUU website.**

Additionally, **Pine View's students will be featured in the Venice Art Festival**. Listen for winner and participant notifications over the daily announcements. Other approaching events include the Florida State Fair in which Pine View has a tradition of excellent performance, and the Scholastic Art and Writing Competition, which, like many of those opportunities listed, offers awards, scholarships and/or notoriety to prominent contestants. Notable among last year's entries is **Pine View Senior, Amanda Healy**, who traveled to New York to receive an American Visionary Medal, and a featuring spot in the lobby of the Lyndon Baines Johnson Department of Education Building in Washington. Over 10 million dollars are handed out annually in

scholarships, and it is a massive opportunity for Pine View middle and high school classes. Scholastic entries are open to students in all grades seven through twelve.

For students interested in other facets of Pine View's art culture, Art for Change club meets on Tuesday afternoons at one o'clock in the high school art room and National Art Honor Society meets on Wednesday afternoons at one o'clock in room 804. In regards to National Art Honor Society, four Pine View students will be among 100 nationwide attending a National Art Honor Society workshop event in Washington DC in November.

## 2014 Duke TIP 4<sup>th</sup>-6<sup>th</sup> Grade Talent Search

Dear 4<sup>th</sup>-6<sup>th</sup> Grade Parent,

Congratulations! By virtue of his or her gifted IQ score, your child is eligible to participate in the 4<sup>th</sup>-6<sup>th</sup> Grade Talent Search sponsored by the Duke University Talent Identification Program (Duke TIP).

With this letter, you should also receive a 2014 TIP brochure and a registration bubble sheet. This letter will assist you in completing the registration process if you decide to have your child participate. Please review the materials for details concerning participation. Be careful to comply with the different deadlines. While the school system does not officially "endorse" this program, enrollment will put your child on mailing lists for a variety of enrichment opportunities.

On-line registration is the preferred method of enrollment for the Duke TIP 4<sup>th</sup>-6<sup>th</sup> grade talent search: [www.tip.duke.edu](http://www.tip.duke.edu). The enclosed paper application is to be used for those applying for an application fee waiver and should be submitted directly to Duke TIP not Pine View. Fee waivers are available for students receiving free and reduced lunch. You may contact Mary Cantillo in the guidance office or the Duke TIP office directly at (919) 668-9100 for further assistance.

The information below maybe used to complete your application process.

Pine View School's code is 201950-BA

## RE: 2014-2015 TIP Talent Identification Program

Dear 7<sup>th</sup> Grade Parent:

Congratulations! Based on previous testing, your child is eligible to participate in the annual Talent Search sponsored by Duke University's Talent Identification Program. **This is completely optional.**

This letter will assist you in completing the registration process if you decide to have your child participate. Please review the materials for details concerning participation. **Registration deadlines: Nov. 4<sup>th</sup> (paper) and Dec. 9<sup>th</sup> (online) for January and February, 2015 test dates. You may register online @ [www.tip.duke.edu/enroll](http://www.tip.duke.edu/enroll).**

**Students will be taking the SAT or ACT in the regular setting alongside high school students.** They are not expected to do as well as high school students. While the school system does not officially "endorse" this program, enrollment will put your child on mailing lists for a variety of enrichment opportunities. If you and your child decide to participate, complete the application and mail directly to the address provided below Section 12 if using the paper application. **Please do not return the application to Pine View.**

Below I have tried to clarify several sections of the TIP Registration form:

**SECTION 6** Your school ID code is **2 0 1 9 5 0 B A**

**SECTION 8a/8b** Your local test sites are:

<b>For SAT:</b>	<b>School Code:</b>	<b>For ACT:</b>	<b>School Code:</b>
Riverview HS 10590	Riverview HS	216070	
Sarasota HS	10595	Sarasota HS	190040

North Port HS 10506	North Port HS	212000	
Venice HS	10715	Venice HS	178620

**SECTION 7** School's coordinator: 6<sup>th</sup> and 7<sup>th</sup> Grade School Counselor, Ms. McManus., 941-486-2001.

**SECTION 8c/d** Student must be currently identified SLD with an IEP specifying extra time/special accommodations to bubble in those sections.

**SECTION 9** Your child has qualified for participation in Duke TIP based on scores as follows:

Line 2 – FCAT – Bubble Percentile Rank (level 5 on FCAT = 99%)

**OR** on line 14 write **Other: WISC/ Stanford Binet** (qualifying test for admission to PV)

Bubble in the Composite (Full-scale) **or** subtest (Verbal) score (whichever is the highest). Percentile conversions are as follows:

I.Q. (Standard Score): Percentile:

130-132	97
133-135	98
136 & up	99

*If you do not know your child's FCAT or IQ scores, please contact Maggie Adler/ Registrar and Guidance Secretary.*

Best wishes,

# Literacy Tips

## from the Pine View Literacy Team

Attention Parents: Holidays and birthdays are wonderful opportunities to find that perfect gift for your child that encourages reading. Here are a few gift suggestions. (Special note: some adults might love these suggestions as well!)

- Give your child a special bookmark with a picture of a favorite animal, hobby, etc.
- Surprise your child with a boxed set of special books. Many of these come in beautiful boxes that help preserve the books for years to come.
- Create a movie library from books that have been made into movies. Many kids love to see their favorite stories in a movie format.
- Provide your child with a variety of boredom-busting activity books such as crossword puzzles, seek-and-find books, Mad Libs and word-of-the-day calendars.
- Subscriptions to magazines are an excellent way to help a child explore an interest or hobby. Magazines cover everything from crafts, sports, science, travel, outdoor activities, fashion, cooking, and many more.
- **Cultivate your child's imagination by** giving them the gift of a diary or a journal. These come in a variety of styles and sizes sure to please. Some even have special locks to keep out prying eyes.
- Encourage your child to have their own mini book club. Purchase the same book for both your child and a special friend.

They could read the book at the same and have fun discussing the story and characters as they go along.

- Give them a gift card to a local bookstore. Make a day of it and let them take their time browsing the shelves for their special treat.
- **See if there is a small spot in your child's room to create their own personal library.** Start with a small bookshelf or even some baskets and fill these with their favorite books – maybe even throw in a few new ones as a surprise. Put in a nice comfy chair, stack of pillows or even a beanbag chair. Add a head pillow and a soft blanket to make it even more relaxing. Make sure there is a reading lamp that provides adequate lighting in this area. Consider getting a special cup with a sealed top so they can take their drink outside the normal eating/drinking area without making a mess. All these put together create a wonderful reading nook for your child.
- And now for the ultimate gift – give your child the gift of a story. Many times, parents stop reading to their children because they are able to read books on their own. It is a great pleasure for children to have a story and poem read to them by their parents. This can be fun when a parent and child tackle a large book together (think Harry Potter). If your child is older, even reading a small article or a special poem can be enjoyable.

# Staying Fit and Healthy

The Phillipi Shores Elementary School 7k Run held on Saturday, October 11, was a huge success! Pine View was very well represented by staff and students (and families) going the extra degree in running/walking in the race.

Pictured below are some of our kids, proudly holding our first official award as Team Pine View. The trophy was for the largest registered team.

Fourth-grade teacher Amanda Simon said, “It was awesome to see kids and parents proudly sporting their Team Pine View Shirts. I am in the process of creating a Team PV page on Facebook, where you will be able to see pictures from events.”

Pine View students who received medals at the 7K are:

- Danny McDonald
- Ashley Reynolds
- Connor Wozniak
- Camden Wozniak
- Cal Sweiderk
- Jade Firlie
- Alexis Ferlie
- Ray Leffler
- Ethan Halbreich

Dr. Covert proudly says, "Thank you for your support and encouraging physical activity and going 5-2-1-0! "

# PINE VIEW SPEECH & DEBATE

## A FIRST PLACE WIN FOR PINE VIEW'S DUO TEAM AT YALE PLACES THEM #1

Sam Schimek and Chris Winton-Burnette take 1st place in Duo Interpretation at the 2014 Yale Speech & Debate tournament.

The Pine View Speech & Debate team returned to the campus of Yale University in New Haven, CT in September for the Annual Yale National Speech & Debate tournament!

This year 34 students were selected to represent Pine View in 7 events, joining over 1200 students from 26 states in one of the nation's top Forensic competitions. The Pine View team was victorious with a FIRST place trophy in DUO Interpretation for the team of Chris Winton-Burnette and Sam Schimek , a quarter final placement for Marissa Brotz in Humorous Interpretation and for Emma Hollingsworth in Oral Interpretation! Naba Rahman reached Octo-finals in Extemporaneous Speaking . In Congressional Debate, Samantha Hanan and Alexandra Knapp made top 10 legislators in their respective chambers!

In Public Forum Debate, the Pine View team of Sho Szczepaniuk & Aravind Byju broke to double Octo finals (top 32!) with Aravind receiving the 4th best speaker award, and the team of Chad Anderson & Carlos Sanchez reached the top 48 bracket!!

Debaterankings.com ranks the top high school performers in the national forensic field, by using a point system assigned to the most important open tournaments across the country. Sam and Chris's win at Yale places them as the #1 Duo Interpretation team in the country as of October 1st, 2014!!

Congratulations to all of you!! What a great start to the new year!!

Join us for the Cystic Fibrosis Walk in May!

# Second-Graders Support Cystic Fibrosis

The “Quack for a Cause” project is to raise money for cystic fibrosis by selling rubber ducks \$1.50 each over the course of the year. Cystic Fibrosis is near and dear to our hearts since fellow second grade teacher, Cara Crowley’s son, Max, has cystic fibrosis. Max is a fifth grade student here at Pine View.

Max and Cara have been visiting elementary classrooms speaking to students about the condition. Each month Quacks for a Cause will sell a thematic duck (i.e. Thanksgiving ducks in November, snowmen ducks in December, Valentine ducks in February). The ducks are limited edition with only 204 ducks available each month! Second grade is hopeful that by raising awareness for this cause, students

will also participate in the Cystic Fibrosis Walk in May. It is our goal to help students see that they can make a difference in someone’s life no matter what age we are! And to help students become aware of the uniqueness of us all!

# Attendance 101

## 'EXCUSE ME, PLEASE' ATTENDANCE 101

### Coming in Late?

Have your child stop by the front office to hand in their late note and receive a pass to class. Parents are NOT required to come in to the office. In a rush or ran out of gas on the way and don't have a note from home?  
– That's okay; you still have 2 days to bring in a signed note from home to excuse the tardy.

### Absent?

If your child is absent please call the front office that morning and let us know – we worry when they're not here! **WITHIN 3 DAYS** of your child's return to school they must turn in a signed note from home with the child's first and last name, grade, reason for absence, and parent or guardian signature.

### Leaving Early?

EVERY student leaving campus prior to the end of their academic day must be signed out at the front office by a parent or legal guardian. If a student is driving themselves OR being signed out by someone other than the parent or legal guardian, a signed note from home giving permission for the student or the other driver is **mandatory**.

### Future Absence?

You or your child will need to come to the front office with a note listing the student's full name, grade, date(s) of expected absence, reason for absence, and parent/guardian signature **THREE** days prior to the absence. Your child will be provided with a 'passport' that must be signed by all teachers, then signed by a parent/guardian and returned to the front office for administrative review.

### One Last 'Note'

Please print clearly on all notes and sign-out logs and be sure to use your child's first and last name (No nicknames please.) ☺

## Pine View Band Boosters hosted their 2<sup>nd</sup> Annual “Belong” Membership Reception.

Pine View families and friends are joining the membership drive to provide funding for our band students to receive specialized sectional training and coaching, give needed scholarships, purchase music, and much more. Our Director of Bands, Victor Mongillo has built award winning bands, provided new performance venues for

our students to be exposed in our community and achieved sending an amazingly high number of students to perform in the All State Band Concerts, which only the “cream of the crop” are invited. We hope you will join us by becoming a “Belong” member. The evening was surrounded by wonderful parents and friends, scrumptious food, and fantastic entertainment! It is easy to join the

# National School Lunch Week

Pine View celebrated National School Lunch Week October 13 through 17. This year's theme is: "Get in the Game with School Lunch." The event is about encouraging kids to find a balance between healthy eating and physical activity.

Throughout the week, students were served by several "guest servers" working the cafeteria line, including Sarasota County School Board members Jane Goodwin and Shirley Brown.

kindergarten geometry standards and a specifications sheet with the actual room dimensions and a specific scale for their model. Rooms were constructed (with the help of many parent volunteers) by cutting foam core. Exhibits were then created to scale.

The project culminated by students presenting their exhibit space to the clients (Mrs. Spielman and the artist, Ms. Sumner). Presentations were structured and professionally executed. This interactive experience has definitely made **an impact on students' understanding of scale and proportional reasoning.**

Mrs. Spielman's seventh grade students recently completed a week long project granted by EdExplore and the Community Foundation of Sarasota County. Students learned to read blue prints, use architectural scale rules, and reduction wheels to create scale models of exhibition space.

The challenge required that students work in teams to create a room in a **children's science museum** that could be used to teach geometry concepts to kindergarten-age guests. Each team included a foreman, architect, artist, and writer/educator.

# Media Center News

## Library Media Crew

We are very happy and proud to announce this year's elementary student volunteers. These fourth and fifth grade students filled out an application and provided three personal references to work here: Maximilian Carey, Emma Coles, Kendall Delagrande, Daria Tiubin, Cary Michaels, Angelique Novak, Riley Putnal, Emily Ingalls, Frankie Grasso-Clay, Jayne Myers, Maya Gordon, Isabella Motta-Zacks, Danielle Rudd, Erica Kretz, Nathan Widjaja, Shane Schwarzenbach & Harrison Chojnowski. The students are a very dedicated bunch that each assist us one day a week. They set up displays, decorate, process books and make book marks. They help shelve and keep the books in order and use **Swiffers** to keep the dust bunnies in check.

## Media Center Donations

Did you know that the media center helps foster a supportive learning environment by supplying lined paper, graph paper, printer paper, markers, colored pencils, rulers, protractors, index cards, etc. for students to use while working in the media center? If you have any extra items that your student doesn't use at home please consider donating them to the media center.

Also, please consider donating to our book fundraiser, Funds4books! Unfortunately, we have a limited budget for purchasing new books, but a very long list of books being requested by students. Check out our Media center website under PV Academics or go to <http://www.funds4books.com/FundraiserInactive?code=bc91>. Thank you for supporting our students!

Lastly, if you purchase items through Amazon, please use our link on

the Media Center website, as we get back a portion of the sales.

## Student Art Display

Did you know that we have a Student Art display case in the Media Center? We use the case to feature PV students that do amazing art outside of the classroom, on their own time.

It was wonderful to be able to feature Ellie Bodo (pictured below) again in our Student Art Display Case. She was the first student featured last year and it is amazing to see how her art has evolved. Without this display case we would never even know that she was capable of such amazing work! Ellie now uses thin wire, thick wire, pipe cleaners, screws, bolts, spoons – you name it!

We would love to have a new student featured every month during the school year. If you know of a student who does artwork outside of the classroom and might be interested in displaying artwork here, please forward us their name or ask them to stop by and see us. The case is locked so their treasures will be safe.

(Information provided by Lauren White-Opitz)

At 211 degrees, water is hot – at 212 degrees, it boils, and with boiling water, comes steam, and with steam, you can power a train.

One degree. Applying one extra degree of temperature to water means the difference between something that's simply very hot and something that generates enough force to power a machine – a beautifully uncomplicated metaphor that ideally should feed everything we do.

Thomas Edison said... "Many of life's failures are men who did not realize how close they were to success when they give up."

Vince Lombardi tightened it up with... "Inches make the champion."

212 distills it even further. According to Sam Parker, author of "212, The Extra Degree", the purpose of the 212 message is to create a level of awareness and accountability that inspires and challenges all of us to try harder, give more and, ultimately, enjoy more.

## WALL OF FAME - October

**GRADE 2: Chiwen Lo** is a shining example of a stellar student. So far this year she has 300 AR points! She consistently earns top grades in all subject areas. In addition, Chiwen is a kind person who is always ready to help classmates and adults. Chiwen is a delight to have as a student at Pine View.

**GRADE 3: Ezra Disz** is a new student to Pine View and has fit right in by demonstrating all of the 212 characteristics from his very first day. He is a friend to all and considerate of others, always striving to do his best. Most importantly, Ezra does the right thing even when no one is watching!

**GRADE 4: Felicity Chang** is new to Pine View, but she is not new to hard work and serious effort. Felicity is a wonderful participant in class discussions and keeps up well with her academics, while maintaining her involvement in ballet. Felicity has already read half of the SSYRA books for this year and plans on reading them all. Additionally Felicity is the representative in her homeroom for Elementary Student Council.

**GRADE 5: Georgia Kate Flint** is new to Pine View, an active member of her classroom community and always willing to lend a helping hand to her classmates. Hardworking and conscientious, she puts a 212 effort into every part of her day, taking full responsibility for her part in the learning process.

**GRADE 6: Ben Solomon** offers assistance to others and makes a personal contact with each teacher, school counselor, and staff. He finds joy in everything and conveys his love of learning and life every single day. When you need to be cheered up and cheered on, find Ben!

**GRADE 7: Michael Gutierrez** has made outstanding contributions in Spanish. All of his teachers agree that he is a hardworking student who shares innovative ideas and works well both communally and independently. Congratulations Michael for going the extra degree!

**GRADE 8:** **Arya Nalluri** is an enjoyable student to have in class. She has a great sense of humor and makes everyone around her feel comfortable with their abilities. Arya is engaging and pleasant, and a joy to have in class! Arya is very helpful when working communally. Her enthusiasm is beneficial in keeping others around her engaged in the task at hand.

**GRADE 9:** **Sana Rahman** is hard-working, polite and helpful to her classmates. She is a great participant in class discussions. In addition to excellence in the classroom, Sana is actively involved in the international organization SOS, which helps orphanages around the world. She is also working on a new initiative to bring different religious organizations together on behalf of All Faiths Food Bank.

**GRADE 10:** **Tea Binder** is a quiet leader. She is sensitive to the needs of others and will quietly help them if needed. Tea consistently goes out of her way to go above and beyond in all areas.

**GRADE 11:** **Jeevеш Konuru** volunteered this summer translating old Indian philosophical writings from Hindi to English. He then set up a website where he published his translations for anyone on line to access. An accomplished mathematician, Jeevеш has also become interested in philosophy and its intersection with physics. A very brilliant (and modest) young man, he is truly gifted in his appreciation for the beauty of mathematics and its applications.

**GRADE 12:** **Allie Pitchford** is a top student maintaining outstanding grades in a rigorous academic program. She excels across discipline and has been recognized for her hard work and positive contributions to her classes. A dedicated journalist for Torch, Allie also helps mentor younger students in the journalism program. Additionally, Allie has been a member of Varsity Crew since eighth grade.

**Lance Bergman** – AP Psychology Teacher and College Resource Teacher - Mr. Bergman has done a fantastic job creating the college resource website that is a helpful tool for all high school students as well as parents. Additionally, he builds strong relationships with students and staff and he inspires students to think creatively about the world around them. Pine View school benefits from Mr. Bergman's extra efforts!

Through Forums with Dr. Covert and grade level Guidance Counselors, students are being introduced to the concept of "212" and "going the extra degree".

Opportunities to compare and contrast examples of going the extra degree in various settings are provided. Grade level recognition of students who have demonstrated that extra degree of effort through moral character or performance character are being showcased on the Pine View "Wall of Fame" proudly displayed in the Student Union. The 212 "Wall of Fame" recognizes students who demonstrate going the extra degree.

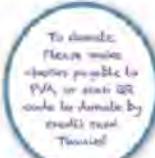

Nominations are received from grade level and/or classroom teachers. This recognition may highlight Moral Character (Citizenship, Gratitude, Kindness, Responsibility, Honesty, Respect, Good Sportsmanship) or Performance Character (Personal Improvement, Risk-taking, Diligence, Independent Learning or Enthusiasm). Students may be recognized for a specific action or for demonstrating the 212 "Everyday – Every way" spirit. As Dr. Covert points out when he addresses students, "the true measure of success is not to outdo others but rather to outdo ourselves". The 212 message certainly reinforces that important notion for Pine View students.

# The 2014 PVA All-In-One Form

You must complete and sign this form **every year** either online at [www.yourPVA.org/keytotheuniverse](http://www.yourPVA.org/keytotheuniverse) OR by completing this paper form to 1) be included in the directory, 2) receive Pine Views, and 3) join PVA, Pine View's parent association. The good news? Through the marvels of modern technology we have gotten this down to just one piece of paper. Yay! (We're still working on the robot to fill it out for you.) Please complete the web form or return the paper form to the front office no later than October 5 or you'll miss out on practically everything.

This is one way in which we can give to Jamie as he has so modestly given to others.

## **Pythons Celebrate Tervis Tinseltown**

The Pine View Chorus and the Pine View Bowmanshop Quartet will be performing on Dec. 6<sup>th</sup> at the 4<sup>th</sup> Annual Tervis Tinseltown. The event takes place from 11:00 am to 2:00 pm at the Tervis store in Osprey.

The chorus is on from 11:00 to 11:30 am and the Bowmanshop Quartet is on from noon to 12:30 pm.  
5% of Tervis sales will be donated back to the participating schools.  
Other activities include:

- Live remote with Jones & Crane.
- Make your own tumbler.
- Complimentary photos on the Sleigh with our giant elf.

The Tervis store is located at 928 S. Osprey Avenue.

## **Ellis Island Essay Contest**

The Sara De Soto Chapter, Daughters of the American Revolution, is proudly sponsoring the annual American History Essay Contest. This contest is open to all students in grades 5 through 8. Chapter winners for each grade will receive DAR certificates, medals, and a \$100 cash prize, and will be eligible for consideration for the state awards. State winners are in turn entered in the national competition.

The theme for this year's essay contest is "A Child's Journey through Ellis Island." The year 2015 marks the 125th anniversary of Ellis Island as an immigration station. On a typical day, immigrants arriving on the island could expect to spend up to seven hours in processing activities intended to determine whether or not they were legally and medically fit to enter the United States. Essay writers should imagine themselves as a child traveling through Ellis Island in 1892. How would you describe your experience to your cousin who has never heard of Ellis Island?

6<sup>th</sup> Grade Mathematics teacher Cathy Hollar is the chapter contact person and may be reached at 941-485-1857 or by email at [Cathy.Hollar@SarasotaCountySchools.net](mailto:Cathy.Hollar@SarasotaCountySchools.net). Please contact her for a contest form and details about contest rules.

To meet state and national deadlines, please have all essays sent in by December 3, 2014. Please forward the essays to Cathy Hollar, Pine View School, 1 Python Path, Osprey, Florida, 34229.

# **Grade Weighting Changes Postponed to 2015-2016**

Grades in traditional honors courses will continue to be weighted at 1.0 for the rest of the 2014-2015 school year. A policy change to assign all Honors courses a grade weight of 0.5 has been postponed.

District administrators agreed to hold off putting the new policy into effect in response to concerns that parents had not been notified in time to **adjust students' schedules**. Administrators will notify affected students and families of the new policy through a letter mailed directly to their residence.

The new policy will align the weighted grade-point average calculation of the district to those of Bright Futures and the Florida state university system. Both of those organizations assign a grade weight of 1.0 for Dual Enrollment, Advanced Placement, International Baccalaureate, and Advanced International Certificate of Education courses. They assign all Level 3 courses a 0.5 weight.

Until the new policy goes into effect, however, the district will continue to award a full 1.0 weight to DE, AP, IB and AICE courses and to courses previously designated as Honors courses. Level 3 courses newly designated as Honors courses this year will receive a 0.5 weight.

District administration will work with a committee of school and community representatives to determine how the new policy will be implemented. Information about the new policy will be shared with students, parents and school staff as it becomes available.

# Elementary Music from Kathy Shepler

Fourth and fifth graders went to the Van Wezel Performing Arts Hall to see the **Young Person's Concert** featuring selections from Beethoven, Copland, Tchaikovsky and Benjamin Britten. We had a wonderful time listening to the Sarasota Orchestra.

Third through sixth graders completed their composition projects and performed them for the class. They were really clever! BRAVO!

## **Narrative:**

Mr. Gardner is enjoying his first month as the Director of Choral Activities at Pine View School. The students and parents have welcomed him with open arms. Each day is an adventure and every choir is creating absolutely beautiful sounds.

We kicked-off the month of October with the Pine View Fall Choir Concert in Kenneth Bowermeister Auditorium, on Pine View's campus. Students will sing from a variety of genres, spanning multiple continents and time periods.

The next day, Friday, October 3<sup>rd</sup>, the 6<sup>th</sup> grade students showcased their talents, for their parents and family members, before they move onto their next class in the Exploratory Wheel.

On Tuesday, October 7<sup>th</sup>, was the Sweet Frog Frozen Yogurt Spirit Night for the PV Choirs, with 20% of that night's revenue going to the choir.

Finally, we rounded out the month with All State Vocal Auditions and the kick-off of our Fall Fundraiser with Century Resources!

Pine View Elementary Yearbook

2<sup>nd</sup> - 5<sup>th</sup> Grades

Place your order now for the 2014-2015 elementary yearbook! The yearbook will have a hard-cover binding and be printed in full color. A special price of \$35.00 will be offered through Friday, November 28<sup>th</sup>. After this date the price will be \$40.00 per book.

Yearbooks will be delivered sometime in May. ORDER NOW! We have sold out of yearbooks in years past. No orders will be accepted after February 2, 2015.

If you have a picture you would like to share, please email it or copy it to a CD. You may deliver the pictures or CDs to Paige Chapman or Vicky Gallo at Pine View. Please be sure to identify the student(s) in the picture, his/her homeroom teacher, and the school event at which the picture was taken. Please do not send cell phone pictures, as their resolution is grainy, and their quality diminishes when we make changes to them.

If you are ordering more than one yearbook, please fill out multiple yearbook order forms. The yearbooks are distributed to homerooms and this will help us avoid mistakes.

# Pine View's School Advisory Council Update

Pine View's SAC is a collaboration of faculty members, community members, parents, and students working together to support the writing and approval of Pine View School's School Improvement Plan (SIP).

In an effort to gain more knowledge about the process and the role we play, five of our members recently attended the **district's SAC Member Training**.

Christine Braun, Pamela Gavette, Carole McLaughlin, Jake Hartvigsen, and Andrea Tirabassi all took part in this informative meeting.

At our September 13<sup>th</sup> meeting, SAC members approved the 2014-2015 SIP, and it will be submitted to the district. Are you interested in learning more about School Improvement? If so, visit the School Improvement link under Popular Links on Sarasota County School's homepage.

## **Wins Big at KnightMUN**

Pine View's Model United Nations Team took 25 awards at the annual KnightMUN competition, including the Best Large School Delegation Award.

The event was held University of Central Florida, October 10 through 12. This year's competition was the best yet at KnightMUN for Pine View. At least two awards were won in every committee entered.

- Best Delegates: Jonathon Mitchel and Jordan Phillips
- Outstanding Delegates: Sam Cacioppo, Lexi Hart, Alex Knapp, Peper Langhout, Matt Putnam, Sahil Pankhaniya, Ryan Rose and Liza Williams
- Honorable Mention: Evan Dietrich, Steven Hilding, Megan Creevy, Amelia Stern, Varshini Gali and Erika Vasant
- Most Improved: Alisse Palmer and Zach Raad
- Best Position Paper: Michael Baiamonte, Cameron Gupta, Lexi Hart, Hunter Hampton, Peper Langhout, Alex Pollatos

KnightMUN is run by the United Nations Association at UCF (UNA-UCF) and is endorsed by the United Nations Association of Orlando Chapter. Students actively participate in the world of diplomacy and negotiation by taking on the roles of ambassadors from U.N. member states to debate international issues. Students prepare draft resolutions, plan strategy, and negotiate with supporters and adversaries in the interest of promoting international cooperation to resolve conflicts.

# For Your Good Health

## Tips to prevent colds and flu

(information provided by Beth Banko, Pine View's Community Health Nurse)

1. Exercise – a proven immune booster
2. Eat properly – be sure to eat lots of fruits and veggies
3. Get plenty of sleep
4. Get the flu vaccine
5. Watch your fingers – keep them away from your face
6. Wash your hands often – rub hands together for 20 seconds. Turn the faucet off with a paper towel and use a fresh towel to dry your hands. Hand sanitizer kills germs too.
7. Cough and sneeze into your sleeve or a tissue.
8. Clean kitchen and bathrooms with disinfectants at home.
9. Stay home if you are sick-fever of 100 or higher.
