# Scheduled Events

## September Calendar Highlights

### **September 1:**

Labor Day – No School

### **September 2:**

PVA Meeting 7:00 pm

### **September 3:**

Principal's Message, Grade 6, 10:15 am

### **September 4:**

Open House - Grades 2-5, 6:00 pm

### **September 5:**

Principal's Message, Grade 7, 9:15 am

Author visit, period 1-3

### **September 6:**

Speech & Debate Tournament 7:00 am – 5:30 pm

PSAT/SAT Review Classes, 8:00 am - noon

### **September 7:**

PSAT/SAT Review Classes, 8:00 am - noon

### **September 8:**

SAC Meeting 4:00 pm

### **September 9:**

Principal's Message, Grade 8, 2:00 pm

### **September 10:**

9<sup>th</sup> Gr. Height & Weight Screening 7:20 am

Blood Drive, 8:00 - 1:00 pm

### **September 11:**

Starlab, 7:00 am – 2:00 pm

Book Study, Parent Coffee Series, 9:15 – 10:30am

SDMT 4:00 pm

### **September 12:**

Elementary Academic Olympics, 10:15 am

### **September 13:**

S&D Judging Training, 8:00 - 12:00 pm

### **September 16:**

Bully Forum Gr 6 9:15 am, Gr 7 10:15 am

### **September 17:**

Middle/High Pictures, 7:00 - 4:00 pm

### **September 18-21:**

S&D Tournament New Haven CT

### **September 18:**

Elementary Pictures, 9:00 - 1:30 pm

Book Study, Parent Coffee Series, 9:15 – 10:30 am

### **September 19:**

High School Class Meeting, 9:15 am

Middle School Dance, 6:00 - 8:30 pm

### **September 20 & 21:**

PSAT/SAT Review Classes 8:00-Noon

### **September 25:**

Starlab 7:00 am – 2:00 pm

SDMT 4:00 pm

### **September 27:**

Speech and Debate Tournament

## October Calendar Highlights

### **October 2:**

Book Study, Parent Coffee Series, 9:15 – 10:30am

Fall Chorus Concert 7:00 – 9:00 pm

Proud Python 9:15 am

### **October 7:**

Faculty Meeting 8:00 am & 2:15 pm

### **October 8:**

Elementary Class Group Pictures 9:00 – 1:00 pm

### **October 9:**

Elementary Class Group Pictures 9:00 – 1:00 pm

Starlab 7:00 am – 2:00 pm

Book Study, Parent Coffee Series, 9:15 – 10:30am

SDMT 4:00 pm

### **October 10:**

Elementary Academic Olympics 10:15 – 11:10 am

Kid's Night Out Class of 2015, 3:45 – 8:45 pm

### **October 11:**

SAT 8:00 am – 2:30 pm

PSAT/ SAT review 8:00 – 10:00 am

### **October 12:**

PSAT/SAT review 8:00 – 10:00 am

### **October 13:**

SAC Meeting 4:00 – 6:00 pm

### **October 14 & 15:**

Vision Screenings Gr 6-8, 9:00 am – 4:00 pm

### **October 16:**

Book Study, Parent Coffee Series, 9:15 – 10:30am

### **October 18:**

Speech & Debate Tournament 7:30 – 9:30 am

Pine View Fair 11:00 am – 4:30 pm

### **October 22:**

Picture Retakes 7:00 am – 4:30 pm

### **October 23:**

Starlab 7:00 am – 2:00 pm

Book Study, Parent Coffee Series, 9:15 – 10:30am

SDMT 4:00 pm

### **October 24:**

PROFESSIONAL DAY, no school for students

### **October 25:**

ACT 7:30 am – 3:00 pm

### **October 27 - 30:**

Variety Show Auditions 7:20 am – 5:00 pm

### **October 30:**

Book Study, Parent Coffee Series, 9:15 – 10:30am

### Dear Pine View families,

"At last, my love has come along..." Etta James' iconic lyrics summon the feeling many new students and parents have upon stepping foot for the first time on Pine View's beautiful campus. My kids, Kemper and Jack, and I felt the same way. And I think I speak for all our Pine View families when I say: **We're glad you're here and we can't wait to meet you.**

Ms. James recorded "At Last" at Chess Records in Chicago, where founder Lenny Chess was known for giving away Cadillacs to his top performers. Just as Lenny Chess supported his artists and innovators, Pine View Association is here to help our students find their voices and blaze new trails.

Here how to get started: Turn to the ALL IN ONE FORM in this newsletter or, better yet, complete it at [www.yourpva.org](http://www.yourpva.org) this month. You'll ensure your family's information is accurate. Don't miss your child's chance to be in the Student Directory, receive *Pine Views*, and stay connected to the Pine View community. Just visit "ALL IN ONE FORM" tab on the PVA website and avoid calamities from missed parties, play dates, study groups, and Pine View events all year long.

What else can you do? Come out to school and PVA events, get involved, and volunteer! Your time and talents propel our students to new heights every single day. Your treasures help too! For every \$50 you donate, you'll get a large Tervis Tumbler with the Pine View crest....and our students' gratitude. PVA supports so many initiatives, from Fair to Peramathon, and from Third Grade Rocks to STEM to Speech & Debate, you'll want to be a part of it. Find a list of Committee Chairs inside and reach out to them.

Another way you can keep things humming is by "Setting the P.A.C.E. (Partners to Achieve Classroom Excellence)"—find the form inside this issue. Sponsor classrooms via P.A.C.E. by making tax-deductible donations **no later than September 26**, and your support will give our students and teachers the instruments they need to be the best.

Thanks so much to Renee Ryckman, Arysol Niffenegger, and, especially Ann Kolesar for the amazing work they did on the Supply Sales in August. Thanks also to Karen Johnson and Word of Mouth for the Faculty and Staff Appreciation Breakfast they produced before students arrived. Our teachers appreciated PVA for starting the year off on a high note.

Remember, our first PVA meeting of the school year will be held at 7:00 p.m. on Tuesday, September 2 (the day after Labor Day) in room 911 of the Media Center. Meetings are held the first Tuesday of each month, so mark your calendars for October 7, November 4, February 3, March 3, April 7, and May 5.

If you had the chance to help the trailblazers, the groundbreakers, go from jalopies to Caddies, wouldn't you? Please be sure to join us!

See you at Pine View!

A handwritten signature in black ink that reads "Camille".

Camille Cline  
Pine View Association President  
[president@yourpva.org](mailto:president@yourpva.org)

# Principal's Perspective

August 25, 2014

Dear Pine View School Parents:

What an amazing start to 2014-2015! Pine View School is so fortunate to have such wonderful students, parents, staff, and faculty members! Our strength as a school and community lies in our shared vision for all the areas in which we strive to ensure success for our students- *academically, socially, and developmentally*. I continue to be amazed at the hard work and dedication shown by our community toward Pine View School's mission on a daily basis -- from the students, to the teachers, to the parent volunteers on campus and in PVA who make our school so successful! We are committed to supporting all students in a rigorous academic setting while developing personal and community responsibility, and this year is off to a wonderful start!

The month of September, as you will see in this issue of *Pine Views*, is full of activities for you and your student at Pine View. Although it feels like we never slowed down from last year's exciting events and successes throughout the year – from Pine View Fair, to Pinnacle, to Perathon, to Cobalt, AP and FCAT testing, GradBash, and graduation – this year may prove to be even busier! In addition to these wonderful Pine View traditions, there are also new STEM initiatives underway, an HVAC renovation project that will begin soon, and the implementation of eight TechActive Classrooms of Tomorrow. There are also new tests to replace the FCAT assessments – we have been quite busy this summer gathering and sharing information with teachers on what they need to know for the start of the year, and we will be sharing information with parents, as well. Rest assured, Pine View students will be more than prepared for these new assessments.

We are pleased to announce that we launched our 212° Forum series this year with each class spending a few minutes with me in the auditorium considering what we hope is a motivational and thought-provoking message regarding the importance of mindset. Similar to the forum series we began last year, we shared some research which has direct impact on our gifted students' development at Pine View. A social and developmental psychologist at Stanford University, Dr. Carol Dweck has conducted extensive research and has written on the importance of mindset which may have a profound impact on the ability of our children to view adversity as opportunity. As Dr. Dweck shared in an interview at Stanford in 2012,

“In a fixed mindset students believe their basic abilities, their intelligence, their talents, are just fixed traits. They have a certain amount and that's that, and then their goal becomes to look smart all the time and never look dumb. In a growth mindset, students understand that their talents and abilities can be developed through effort, good teaching and persistence.”

Viewing challenge as an opportunity to learn and become better than we are is inherently a growth mindset perspective, and is at our core; essential to our tradition of excellence! Academic ability is one of the many gifts our Pine View students have received, and our students have a tradition of going far in life! The growth mindset, *and the motivation, persistence, dedication, and tenacity that comes with it*, can take a person even farther, and the message of making Pine View and our world an even better place is one we hope will resonate with students! A brief video clip, by Eduardo Briceño, summarizing the growth mindset message can be found at <http://www.youtube.com/watch?v=pN34FNbOKXc>.

We appreciate all the positive support from the Pine View School parents and our community, and will continue to excel in our instructional and character development programs *together*. We encourage every parent to get involved at Pine View School in expanding our Tradition of Excellence- *Go, Pythons!*

Stephen P. Covert, Ph.D.  
Principal

“The man who moves a mountain begins by carrying away small stones.”

### Pine View School Mission Statement

The mission of Pine View School is to provide a qualitatively different learning environment that nurtures a passion for intellectual curiosity, encourages risk taking, independence and innovation, and is committed to a tradition of academic excellence and social responsibility.

### School Advisory Council (SAC) Mission Statement

The purpose of the School Advisory Council is to enhance school site decision making, to serve in an advisory capacity to the principal regarding school improvement, to assist in the preparation and evaluation of the school improvement plan, and to provide input on the budget and use of school improvement funds pursuant to Florida Statue 229.58.

### Shared Decision Making Team (SDMT) Mission Statement

The Shared Decision Making Team is the policy making body at Pine View. Teachers, support staff, parents, and students have representatives who serve on this committee. Visitors are welcome to attend.

**DR. COVERT ON-LINE - [Stephen.Covert@sarasotacountyschools.net](mailto:Stephen.Covert@sarasotacountyschools.net)**

Feel free to drop Dr. Covert a line, ask a question, or share a comment.

Keep in mind, however, that due to his heavy schedule, there may be a day or two delay in responding.

He does promise to answer each and every message as quickly as possible.

# **Pine View Association (PVA)**

## **Is Pine View's Organization of Parents, Teachers, Staff and Supporters**

Pine View Association (PVA) works to enhance and enrich the educational experiences of our students -- by supporting our school's academic, social, fine arts, and technology objectives. PVA coordinates volunteers, raises funds, promotes communication between Pine View and our families, provides input to the school on issues of concern to our parents, and supports gifted advocacy on a local, state and national level. This is only possible with the help and dedication of our parent and community volunteers and donors, business partners, and staff. We do this because we want our bright and talented students at Pine View, our children whose futures are so abundant with possibility, to have every opportunity they deserve, every opportunity we can provide to them.

# News from the Pine View Guidance and College Counseling Department

## New Staff

We are pleased to announce the arrival of the newest member to the Pine View Guidance Team, Paula Lindsey. Paula comes to us from Ashton Elementary with experience at both the Elementary and Middle School levels. She will assume the role of Guidance Counselor for Grades 8 and 9. Paula will be replacing Lynn Halcomb who has transitioned into the role of 10th-12th Grade Guidance Counselor. Welcome Paula and Congratulations Lynn!

## PVCollegecounselling.com

Over the summer the College Counseling webpage was updated and improved. The new site offers detailed information, timelines, and a variety of key resources to help navigate this important and complicated process. For our seniors we provide instructions and tips for completing applications, PDFs of required forms, links to relevant sites, financial aid resources, and more, to assist in making the college application process less stressful and more successful. You may check out [pvcollegecounseling.com](http://pvcollegecounseling.com) through the Pine View School website, or simply enter the *URL*.

## Pine View School Ethics in the College Planning and Application Process

Included on the College Counseling website is a document drafted by the Pine View Guidance Task Force and approved by Dr. Covert last June. It is a statement of community values and behavioral expectations in the College application process. This statement is unique to Pine View and reflects expectations supported by all colleges and universities. We invite all members of the Pine View community to read and reflect upon these goals and

expectations. You can find this document under the *Applying to College* menu tab.

## Naviance/Family Connection

Last year the Pine View School Guidance/College Counseling Department introduced *Naviance Succeed* and its student and parent partner site *Family Connection* to our twelfth grade students. We recently announced the opening of *Naviance/Family Connection* to our tenth grade and eleventh grade students and parents.

*Naviance* is a web-based college and career readiness program used by high performing districts and schools across the nation. *Family Connection* is a tool that allows students to research careers and colleges and participate in the college planning process. *Family Connection* also allows us to share information with you and your child about meetings and events, local scholarship opportunities, and other college and career information. From the administrative side, *Naviance* allows Pine View College Counseling to electronically upload and send all student application materials to over two thousand colleges and universities, saving time and money, and improving efficiency and accountability.

## PrepMe

In August Pine View adopted *PrepMe*, an online test preparation tool for ACT, SAT, and PSAT for use by all 10-12<sup>th</sup> grade students. *PrepMe* uses an adaptive platform to create a customized study plan based on the needs and timeline of each student. This acclaimed program is funded by our school and is available to all Pine View students free of charge. It is our intention to activate this component for current 9<sup>th</sup> graders later this fall. We strongly encourage all students to explore and use this resource as part of an overall test preparation regimen.

# Literacy Tips from the Pine View Literacy Team

## Promoting Reading in Your Home

Set a good example for your children by letting them see that you read. The reading material can include newspapers, magazines, or books. Some articles that might be of interest to your child could be:

- community events such as beach activities, festivals, entertainers coming to local theaters
- travel destinations, either where the family plans to travel or where they would like to travel
- special sporting events or an article about an athlete your child admires
- an interesting human interest story that might appeal to your child, some examples might be an exceptional child/teenager, someone overcoming huge obstacles in life, pet/animal stories

## A Musical Note

**Support Pine View Band's annual Carrabba's lunch fundraiser on Saturday, September 6th.**

Come enjoy a nice lunch with entertainment by our Pine View Jazz band members. Lunch includes salad, bread sticks, the entrée and a non-alcoholic beverage. Sit back and enjoy a meal as our band members put away their instruments and bring out their aprons to become waiters and waitresses.

This fundraiser is a practical and fun way to support our band program. Families can stop by Carrabba's for lunch (Stickney Point Road location) from 11:00 a.m. to 12:30 p.m. or place your order to go, if you are on the run. Tickets are sold by band members or contact Mr. Mongillo. Lunch tickets are \$12 each. Enjoy lunch and great music!

Our Director of Bands, Victor Mongillo, has built award winning bands, sought out new performance venues and achieved sending amazingly high number of students to perform in All State Band Concerts, a superior accomplishment.

The Pine View Band Boosters launched the "Belong" Membership drive last September. Pine View families and friends have joined the campaign to support our award winning band program. Funding enables our band students to receive specialized provide funding for our band students to receive specialized training with guest clinicians, mentorship scholarships, instruments, music, and sound equipment and much more. Please consider joining Belong!

For membership information or to contact the Pine View Band Boosters, feel free to email us at:

# Pine View Teacher Receives Top Honor from National Council

Pine View School language arts teacher Fran Squires has been named the 2014 Outstanding Middle Level Educator in the English Language Arts by the National Council of Teachers of English. NCTE is a 35,000-member organization dedicated to improving the teaching and learning of English language arts at all levels.

The NCTE announcement of the award said it recognizes “exceptional English language arts teachers of grades six-eight who have demonstrated excellence in teaching English language arts and inspired a spirit of inquiry and a love of learning in their students.”

Squires teaches sixth-grade gifted and advanced-level English language arts. Since Pine View is a school for gifted students, the sixth-grade curriculum covers material students in other district schools normally would study in grade seven.

To help her students develop as accomplished readers and writers, Squires sets high expectations, provides an environment rich in literary materials, and encourages creative writing and portfolio building. Many of her students have been recognized in state and national writing contests.

Squires has written grants to fund a number of innovative programs and projects, including the Pine View student literary magazine Portable Prose and Poetry. She also secured the funding for an economics project titled “The Ugly Mug” in which students packed chocolate cake ingredients into recycled coffee mugs. Squires said the program was both an instructional unit and hands-on community service project.

She frequently attends professional development workshops to improve her instructional skills and to share information with her colleagues in the Language Arts Department. She also provides writing assistance to the Pine View science and math team teachers.

She served for several years as a teacher advisor for SCOPE magazine, the national literary publication of the Scholastic Corporation. She has been a leader in the implementation of Florida State Standards in middle-school language arts at Pine View.

She said the NCTE award is gratifying because it is an endorsement of her work by her peers. “I am personally thrilled to win this award after a long career in education,” she said.

“I have been a presenter at the NCTE conference before, and I always love the opportunity to attend to learn something new to bring back to my arsenal for the students I teach. Nothing could be more gratifying than to be acknowledged by my professional organization for what they deem as excellence in English language arts.”

Squires will receive the Outstanding Middle Level Educator in the English Language Arts Award during the NCTE national convention in Washington, DC, Nov. 21.

# The 2014 PVA All-In-One Form

You must complete and sign this form every year either online at [www.yourPVA.org/keytotheuniverse](http://www.yourPVA.org/keytotheuniverse) OR by completing this paper form to 1) be included in the directory, 2) receive Pine Views, and 3) join PVA, Pine View's parent association. The good news? Through the marvels of modern technology we have gotten this down to just one piece of paper. Yay! (We're still working on the robot to fill it out for you.) Please complete the web form or return the paper form to the front office no later than August 31 or you'll miss out on practice \_\_\_\_\_.

Select all that apply:

- Include our student/family in our handy 2014-2015 school directory  
 Join (or re-join) Pine View Association  
 I would like to donate to Pine View Association  
\$50  \$100  \$250  \$500  other \$\_\_\_\_\_

After completing this form, your donation can be made using the QR code at right, by providing credit card information below, online at [yourpva.org](http://yourpva.org), or by sending a check to the school office with this form. PVA membership donations benefit the PVA General Fund and may not be applied to PACE, Sponsorships, or other specific programs.

- I'm interested in a free listing in Pine View's parent Business Directory

# Moody's Mega Math Challenge

by Daniel Yohann

Team 2668, L to R: Hannah Whisnant, Thomas Chaffee, Chris Cantillo, Caleb Proffitt, Daniel Yohann

These days, peoples' idea of hanging out with friends includes strolling on the beach, playing video games, working out, etc. But how often do we work together to complete something worthwhile? To create something which did not exist before? The Moody's Mega Math Challenge is more than a math contest: it's a glimpse into the real world.

Teams of five have 14 hours to solve an open-ended, applied math-modeling problem focused on a real-world issue. The challenge spotlights applied mathematics as a powerful problem-solving tool, as a viable and exciting profession, and as a vital contributor to advances in an increasingly technical society. Scholarship prizes total \$125,000.

I participated for two years in the challenge, my team winning Honorable Mention both years. The first year, the problem asked us to analyze trash buildup in domestic landfills and develop a comprehensive model to assign max efficiency recycling programs to areas across the US – something one would never think of while sitting in math class. The second year's problem asked us to evaluate the choloric validity and sustainability of school lunch programs across the country, an unexpected topic. Yet, we managed to answer every part of the question using techniques from calculus, economics, and statistics. Though everyone was good at math, each person on the team had a

specific specialty, ranging from microeconomics to English literature.

We transformed my dining room into a work station. The table was draped with paper, white boards, markers, pencils, and pens. Every person brought a personal laptop. No human can work continuously for 14 hours on such a problem, and so we consumed a gargantuan amount of food: Cheese Its, Pretzels, M&Ms, Pizza, and much more. As my mom says, "food is fuel."

And every time, 13.5 hours of work comes down to the last half hour, where everything in the twenty pages of math must be double and triple checked. A full day has been spent crafting the best paper possible, and mistakes cannot be afforded. With breath held, the team submits the paper less than a minute before the deadline, 9:00 PM. We waited weeks for our paper, one of 1152 papers submitted, to be analyzed by a team of PhD mathematicians. Our efforts paid off as our team received Honorable Mention and won \$1000, a distinction afforded to the top 5.6% of papers submitted. My highest hope is that we leave a legacy at Pine View that inspires future participants to do even better.

Team Tan(Gents) 2669: Bottom row: L to R: Parker Mason, Sean Mihm, Sebastian Hernandez  
Top row: L to R: William Wickerson, Chetan Patel

[FYI: Hannah is at West Point, Chris is at the Naval Academy, Daniel is at University of Southern California, Thomas is at Cal Tech , Chetan is at Williams College , Sean is at Georgia Tech, William and Sebastian are at UF, Parker and Caleb are seniors]

# Pine View School Advisory Council

The School Advisory Council (SAC) is a school-based group intended to represent the school, the community and those persons closest to the students. The group shares responsibility for guiding the school toward continuous improvement. The SAC is responsible for final decision making at the school relating to the implementation of the provisions of the annual School Improvement Plan (SIP). Each SAC assists in the annual preparation and evaluation of the SIP and in the preparation of the school's annual budget. SAC members, jointly with the school's staff, determine the distribution of Florida School Recognition Funds.

A majority of the members of each School Advisory Council must be persons who are not employed by the school district. Each advisory council is composed of the principal and an appropriately balanced number of teachers, education support employees, students, parents, and other business and community citizens who are representative of the ethnic, racial, and economic community served by the

school. Elections are held with respective peer groups at the school in a fair and equitable manner as follows:

- Teachers shall be elected by teachers
- Education support employees shall be elected by education support employees
- Parents shall be elected by parents
- Students shall be elected by students
- Business and community members are nominated by the principal for SAC selection

If you are interested in being part of the 2014-2015 Pine View School Advisory Council, please notify Sue Fair, Assistant Principal at Pine View School; and plan to attend the first School Advisory Council meeting September 8<sup>th</sup> at 4:00 PM in Room 911 (Media Center).

# Pine View Robotics Program Growing Stronger and Stronger

Just over two years ago, robotics was a distant topic for most Pine View students; today, it is growing by leaps and bounds, likely setting the precedent for applied robotics programs across the state of Florida.

Chap Percival, of the science and technology department, first began introducing his physics and programming students into robotics around 11 years ago. "Robotics is so engaging and teaches them so many topics in physics and programming better than any teacher can. I began taking any opportunity to work with robotics in my students any chance we got," says Percival. With the support of Sarasota Scientific Instruments, a science equipment lending library, the momentum began to build.

Just over a year ago, our school received funding—through efforts by Chap Percival, Arnall Cox, Ron Dipillo, Steve Largo, and Lyna Ruiz---to modify building 10 to accommodate the new Florida Applied Robotics Program. The building now contains a machine shop with tools, work benches, drill presses, and various types of saws and grinders. We have a separate robotics classroom and arena where students can participate in class competitions. With a big thanks to the math department, we even have a 3D printer!

The first robotics course, Foundations of Robotics, was first offered in fall of 2013, and that pioneering group has continued to onto a second-year course. The program will continue to a third and even a fourth-year course. These courses allow students to receive industry certifications in robotics and Solidworks, 3D CAD software. Integrated into the curricula are local and state level competitions. Right now, Pine View is the first school in the district to offer the second-year course and could be the only school in the state to offer beyond a single year of applied robotics.

The interest has carried beyond the classroom into clubs and summer programs, including the high school First Robotics Team, the Middle School FLL team, and the summer robotics camp. All teams have received district and national awards. We have, in just a short time, exposed hundreds of students to robotics and engineering. It is an exciting time!

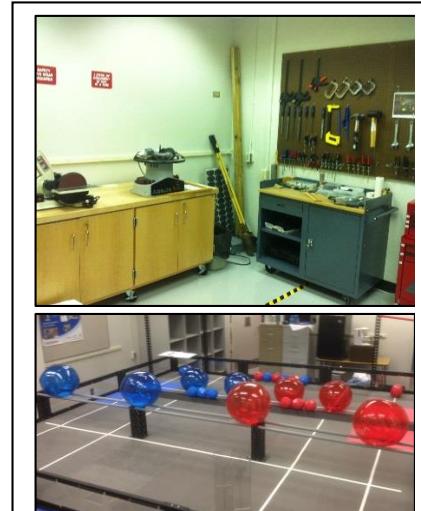

I feel lucky to be a part of this program. With the support of our administration, the district CTE program, the PVA, and our parent volunteers, we can go further. If you have interest in volunteering in the classroom or in the competitions--as general support or as a STEM expert---please let me know!

## Box Tops for Education Classroom Contest

Did you know that Pine View has earned \$17,958 over the years? Almost 180,000 BoxTops had to be counted!

For every 100 BoxTops turned in, each classroom will receive 1 entry (or point). A random drawing will be done based on the total number of points. These points are cumulative - you keep these through the end of the year. **THERE IS NO INCENTIVE FOR TURNING IN ALL OF YOUR BOXTOPS IN ONE MONTH** - only for turning in your BoxTops as soon as possible.

Drawings are for the following months: August, September, October, November/December, January, February/March, April/May 10. The teacher of the monthly winning classroom gets to choose a party - Keva Juice, Klondike Bars, or other snack.

Please label all submissions with the Homeroom teacher's name! All BoxTops submitted must be valid and unexpired to be counted!

**Yes, Pine View is STILL working on getting a free minivan for All Faiths Food Bank!**

For more program information, visit [www.labelsforeducation.com](http://www.labelsforeducation.com)

Clip Only the UPC code - NOT the entire label.

**STUDENTS, PLEASE TURN YOUR BOXTOP\$ IN TO YOUR HOME ROOM TEACHER or TO THE CAMPBELL'S SOUP BIN IN GUIDANCE.**

**TEACHERS, PLEASE LABEL AND TAKE YOUR BOXTOP\$ TO GUIDANCE EVERY FEW WEEKS.**

Pine View's 2011-2012 earnings were \$2,128

Pine View's 2012-2013 earnings were \$2,274

Pine View's 2013-2014 earnings were \$2,937

The money raised last year went to fund the new playground sunshades.  
We can beat those numbers-every BoxTop helps!

Questions? Please contact Phyllis Weitzner at [phyllisweitzner@aol.com](mailto:phyllisweitzner@aol.com). Pine View's BoxTop\$ program is even cool enough to have its own Facebook page:

## SET THE P.A.C.E.

*Partners to Achieve Classroom Excellence*

Please consider sponsoring a classroom(s) this year through P.A.C.E! The PVA P.A.C.E. committee generates valuable donations for our teachers and instructional staff to purchase additional classroom items such as: software, classroom books, visual aids, enrichment materials and many other items.

**NEW in 2014!: Unlimited P.A.C.E. donations may be made per classroom. Due to overwhelming demand, we are no longer instituting the \$600 maximum cap per class.** It's not necessary for your child to be in the classroom(s) that you choose to sponsor. Departments such as PE, music, art, computer lab, foreign language, chorus, band, orchestra, media center, guidance, and others need sponsors too!

**To become a P.A.C.E. sponsor, complete the form below and make your TAX-Deductible Contribution today!**

**September 26, 2014 is the Deadline for accepting donations!**

For Grades 2-5 and Department donations contact Jill Creevy at [jcreevy123@verizon.net](mailto:jcreevy123@verizon.net) or 941-993-7391. For grades 6-12 donations contact Jill Middleton at [jillemiddleton@hotmail.com](mailto:jillemiddleton@hotmail.com) or 941-416-1976

**RETURN TO FRONT OFFICE NO LATER THAN SEPTEMBER 26, 2014**

# Cuban-American Author Visits Pine View in September

Pine View is thrilled to have the author [Alina García-Lapuerta](#) visit us the morning of September 5th before appearing that afternoon at Barnes and Nobles for a book signing. Her book *La Belle Créoile: The Cuban Countess who Captivated Havana, Madrid and Paris* is coming out Sept. 1<sup>st</sup>. She'll be speaking to our Spanish IV and AP Spanish students periods one through three in the Multi-Purpose Room. Anyone who is interested may stop by to give her a warm Pine View welcome and help express our gratitude.

## About the Author

She holds degrees in international economics from Georgetown University's School of Foreign Service and international relations from Tufts University's Fletcher School of Law and Diplomacy and worked for a number of years in banking. Now based in London with her Spanish American husband and their two children, she spends considerable time in South Florida. She is a member of Biographers International Organization and the Biographers' Club.

Born in Havana but raised from an early age in the United States, Alina García-Lapuerta shares a strong bond with her subject, Mercedes Santa Cruz y Montalvo. They are connected through both their mutual birthplace as well as through the experience of living across different cultures.

# Transportation Information

## Student Drop-Off/Pick-Up Loop Procedures

The Student Drop-Off/Pick-Up area is located adjacent to the Elementary Building. Parents are to enter through the Main Entrance and follow the signs. **Parking or leaving your car is not permitted in either lane.**

The only safe place to have your child leave or load your car is the Student Pick-Up Loop adjacent to Administration. Cars using the Staff/Visitor or Student Parking Lots and having their children walk/run to your vehicle is simply not safe! Drop-off and/or pick-up on the Service Road on the south side of campus is also not permitted. The Drop-Off/Pick-Up Loop was designed for this purpose and is staffed with personnel to safely assist your child. Additionally, a student pick-up area is available in the Shell Lot for the end of the school day.

If you feel you must use the Staff/Visitor or Student Shell Parking lot, we ask you to park your car in a visitor space, then walk and meet your child and escort him/her back to your parked car.

## Temporary Bus Rider Permit Information

Students who need to ride a school bus other than their assigned bus may obtain a Temporary Bus Rider Form. This form may be found in the administration office or on the Pine View website. The forms must be filled out completely with a parent signature/note or else they will not be accepted.

No temporary bus rider forms will be allowed the first two weeks of school.

## Locating Bus Stop

To find the bus stop closest to your home address for your student, please go to the website below, type in your home address and click submit.  
<http://www.sarasota.k12.fl.us/trans/trans.htm>

## After-School Activities Bus

An after-school activities bus is available to transport students to North County beginning the first day of school.

An Activity Bus Card will permit a student to ride the bus for twenty (20) rides at a cost of \$60.00. Cards may be purchased in the Front Office.

## Student Drop-Off/Pick-Up Expectations

We appreciate your assistance to ensure our students are safe and the drop-off/pick-up line runs efficiently.

- Adhere to the 5 MPH speed limit.
- Use the **outside (left) lane** closest to the trees to **exit**; use the **inside (right) lane** to drop off/pick up your child.
- Children should only exit vehicles on the **right side** from the **inside (right) lane**.
- Continue to move forward in the **inside (right) lane** until you reach the stop sign or the car in front of you – do not leave long gaps in between cars.
- Ensure your child/children have all of the items they need for school in order to ensure a timely exit from your vehicle.
- Use your signal when you are exiting the **inside (right) lane** so drivers know you want to merge into the **outside exit (left) lane**.
- **Do not exit** your vehicle for any reason. If you need assistance with backpacks or a faulty door, please ask an Aide or an Assistant Principal to assist you – we will get you the help you need.
- **Do not cut** in front of drivers dropping off or picking up students in the inside (right) lane for any reason – this creates the potential for accidents and injury to children.
- Do not use your cell phone while in the parent drop-off/pick-up line.

## Transportation

Bus transportation will be provided to all students living more than two (2) miles from Pine View School whose school day begins at 9:15 a.m. and ends at 3:52 p.m.

**For more information, a student/parent should contact the Director of Transportation at 486-2141.**

## Bike Riders

Students riding bikes should park them at the bike rack located by Building 16 and the Science Building. Bikes are to be walked on campus. Skateboards, roller skates, etc. are not permitted.

**“Learning First; Safety Always!”**

## **South Side Service Road**

The service road on the south side of campus is closed to all traffic. Parents dropping off children must use the parent loop.

Established procedures need to be followed. Administration is very concerned about the problem of students waiting on the road, in driveways, and parking lots. If established procedures cannot be followed, eventually the only access may be the student pick-up loop.

## **Staff Parking Spaces**

As a reminder, numbered parking spaces are assigned to staff. Even if one is empty, visitors are not permitted to park in the spaces during the school day.

## **Pinnacle Parking Spaces**

Just a friendly reminder to all parents and guests to please not park in the Pinnacle Parking spaces in our school's main lot. These two parking spaces were purchased by guests at Pinnacle and no one else should be using the spots. Please be considerate and respect this policy even during evening hours, as the families who purchased the spaces may want to use them for after-school events.

If you are a school volunteer with heavy items to unload, please make prior arrangements for a custodian to meet you at your car OR feel free to park in the bus loop between 9:30 am and 2:30 pm only!

## **School Insurance**

An approved insurance plan for students is available for everyone at the beginning of each school year. Insurance is taken on a voluntary basis, and everyone is urged to participate. All students participating in the interscholastic athletic program must purchase insurance or present evidence of a policy covering accidents.

Whenever an accident occurs, even though a student does not appear to be injured, the student should report it immediately to his/her teacher or to the health room aide, who will complete a school Accident Report.

## **Student Pick-Up Shell Lot**

Your care, concern and cooperation are vital to ensuring our students are safe and properly supervised.

We ask that you park your car and walk up to meet your child on the covered sidewalk. Students should not be running to their parent's care during this very busy time of day.

- PLEASE drive cautiously and watch for pedestrians!
- PLEASE **do not talk on cell phones or text** while driving in the shell lot!
- PLEASE follow the directions of school personnel assigned to the shell lot!
- PLEASE yield to school buses when entering or exiting the lot!
- PLEASE ask your child to wait for you on the sidewalk!

## **Student Pick-Up – Shell Lot**

**(Parents are not permitted to use the Student Shell Lot for morning drop-off)**

As you are likely aware, parents have the option of using the Student Shell Lot to pick up their children at dismissal. This helps alleviate traffic flowing into the main entrance of campus. It also helps reduce traffic in the main Staff/Visitor Lot. Your care, concern, and cooperation are essential to maintaining safety in the Shell Lot.

For those using the Shell Lot, students should wait on the sidewalk under the blue awning located north of the first parking lane. Parents please park your car and walk up to meet your child on the sidewalk. Campus aides will continue to be present to monitor and supervise, ensuring our students' safety. Cars that are either entering or exiting the Shell Lot must always yield to school buses. **Under no circumstances should students walk to their parent's car unaccompanied.**

Again, **you are not permitted to use the Student Shell Parking Lot to drop-off your child in the morning.** This high school parking lot is not supervised at that time. Parents wishing to drop-off children should either use the Student Drop-Off Loop accessible from the Main Entrance or park your car in a visitor space in the Staff/Visitor Lot and walk your child to class. The Student Drop-Off Loop has the personnel to safely accommodate the disembarking of students. It is the safest place for your child.

# Advertise Your Business in *Pine Views*

*Pine Views* provides a fantastic and targeted opportunity to promote your business, organization, or club to more than 2,000 of Pine View's families, faculty, staff, and business owners. *Pine Views* is a popular, must-read resource for Pine View families. Most families read it cover to cover! And advertising in *Pine Views* not only provides a unique opportunity to communicate with our families, business owners, and staff but has the added benefit of supporting Pine View School. Plus, PV families are incredibly loyal to the businesses that support our school. **All advertisements and payments must be received by the 10<sup>th</sup> of the month to be included in the following month's issue.** *Pine Views* is published by PVA and provided free to every student family.

## Ad sizes available (please check appropriate box)

- Full Page \$500.00 (approximately 7.5" x 10")
- 1/2 Page \$300.00 (approximately 7.5" x 5")
- 1/4 Page \$175.00 (approximately 4.5" tall and 3.867" wide)
- Business Card \$100.00 (approximately 2.25" tall and 3.867" wide)
- Banner \$100.00 (approximately .859" tall and 7.624" wide)
