This publication is the official newsletter of the Pine View Association. Nine issues are published throughout the year and are mailed home to the families of all PineView students and distributed throughout the PineView community.

### The nine issues are:

- July/August
- September
- October
- November
- December/January
- February
- March
- April
- May/June

**Submissions:** Students, faculty, staff and parents are encouraged to submit articles and photos no later than the 12th of the month preceding the issue date.

Please submit articles to  
[jo.davidsmeyer@sarasotacountyschools.net](mailto:jo.davidsmeyer@sarasotacountyschools.net)

Information and articles should be of interest to the PineView School community.

# President's Letter

Dear Pine View families,

I've learned through trial and error with making the instruments. The very first guitar I made, the neck was really bendy, and it couldn't stay in tune. But through trial and error of making different instruments, they've definitely improved. The very first saxophone we made actually didn't work that well, because the balloon started to vibrate at a different overtone than it normally would have. But we fixed that, so it didn't squeak anymore.

This quotation from PVS alumnus Jack Berry, one of the founders of Pine View's own The Garbage-Men, in an interview on NPR, highlights the importance of using what we have available and never giving up. The Sustainability @ Pine View promotes these ideals every day. The S@PV Core Team and Student Sustainability Council applied to be a Florida Dept. of Ed. for the U.S. DOE Green Ribbon Award in December. We heard back that our application was very strong and that the State chose Pine View as a nominee for this prestigious national award! The winners will be announced in Washington D.C. on Earth Day, **Wednesday, April 22**, when S@PV is planning a lunch-time celebration full of fun activities designed to raise awareness for protecting what we have. PVA's Environmental Health and Safety Chair Nicole Jurczyk reminds us that blue and gold make *green*!

Now that we're all back from Spring Break, it's time to start thinking about the summer. Look inside to discover dozens of area camps offering tons of innovative and challenging ways our students can stretch while on break. Register at [www.BiddingforGood.com/pineview](http://www.BiddingforGood.com/pineview) to bid for your favorites during our auction, which runs from **April 3–12**. All the money raised will support Pine View School and our hardworking students. And what a bargain! From our own teachers' camps and enrichment programs, and from SURFit to Sarasota Scullers and Venetian Academy of Music to Venice Theater, you'll find the best camps around! The auction **ends at 6:00 p.m. on the 12<sup>th</sup>**, so be sure to stay on top of your bid!

Please remember that if you're receiving this newsletter and are included in the Student Directory, *you are a PVA member*. Come out and vote for our 2015 PVA Board nominees and changes to the by-laws, and learn about all the great things PVA Committees did for the school this year. Participate! Our Annual Meeting will be held on **Tuesday, April 7, in the Student Union**. Help make PVA self-sustaining by supporting our programs and voting in a fresh cohort of directors. See you at Pine View!

A handwritten signature in cursive script that reads "Camille".

# Principal's Perspective

April, 2015

Dear Pine View School Parents and Community:

April is a wonderful time of year, and we have so many exciting activities in all grades! We hope that you are able to celebrate the many achievements of our students during the many awards and culminating events in the coming weeks. Many of these special and traditional PV events would not be possible without the direct support and critical involvement of our amazing Pine View parents- thank you for going the extra degree for our students! PVA will be holding Board elections on April 7<sup>th</sup> and we thank everyone who supports our students and teachers! The meeting is 7pm in the Student Union and everyone is welcome!

On April 18, Pine View is helping our students, staff, faculty and our community build awareness of healthy choices and our 5-2-1-0 program. At our second annual Python Run website, <http://pvpythonrun.com/> you will find information about the first ever *Python Run 5K*, as well as information on how you can contribute as a sponsor of the race, race course information, and registration details. *See you at the race!*

On the school website, you will also find information about FSA schedules, Advanced Placement (AP) mock schedules, Advanced Placement (AP) exam schedules, End of Course (EOC) exam schedules and end of year activities. We will soon be celebrating "grad bash" in Orlando at Universal Studios with our seniors and know that we will have a wonderful time. Our students continue to impress me daily, and through their scholarship, their behavior, and their commitment to sharing their gifts with others, Pine View students truly distinguish themselves.

In addition to keeping information updated on the website, we will be updating the look and utility of the PV website very soon! It will have a new look and feel, and still be personalized to emulate our mission of providing a qualitatively different learning environment for our students. Please stay tuned and check our website for updates!

We are pleased that so many of you have taken advantage of our Remind.com service- registration is easy! It's free, and very easy to use. All you need to do is send a text message to 81010 with @pineviewsc in the message field. You will immediately receive a confirmation reply. It may also ask you to enter your name so that I know who is registering, but it is not necessary (or feel free to reply).

In addition to myriad academic achievements across all curricula, our students and teachers are continuing the tradition of excellence at Pine View and consistently going 212- winning the Sarasota County Schools' Academic Olympic tournament, an impressive showing at the Gulf Coast Community Foundation-sponsored STEM summit with our VEX Robotics team, our first ever Elementary STEAM night and Lego movie celebration, and talented musicians performing our annual "Jazz Under the Stars!" It is an honor and privilege to serve our amazing students, teachers, and community, and we wish everyone an outstanding spring!

Stephen P. Covert, Ph.D.  
Principal

*"The test of the artist does not lie in the will with which he goes to work, but in the excellence of the work he produces."*

--Thomas Aquinas

## Pine View School Mission Statement

The mission of Pine View School is to provide a qualitatively different learning environment that nurtures a passion for intellectual curiosity, encourages risk taking, independence and innovation, and is committed to a tradition of academic excellence and social responsibility.

## School Advisory Council (SAC) Mission Statement

The purpose of the School Advisory Council is to enhance school site decision making, to serve in an advisory capacity to the principal regarding school improvement, to assist in the preparation and evaluation of the school improvement plan, and to provide input on the budget and use of school improvement funds pursuant to Florida Statute 229.58.

## Shared Decision Making Team (SDMT) Mission Statement

The Shared Decision Making Team is the policy making body at Pine View. Teachers, support staff, parents, and students have representatives who serve on this committee. Visitors are welcome to attend.

**DR. COVERT ONLINE - [Stephen.Covert@sarasotacountyschools.net](mailto:Stephen.Covert@sarasotacountyschools.net)**

Feel free to drop Dr. Covert a line, ask a question, or share a comment. Keep in mind, however, that due to his heavy schedule, there may be a day or two delay in responding. He does promise to answer each and every message as quickly as possible

# About PVA (Pine View Association)

## Pine View's Organization of Parents, Teachers, Staff and Supporters

Pine View Association (PVA) works to enhance and enrich the educational experiences of our students -- by supporting our school's academic, social, fine arts, and technology objectives. PVA coordinates volunteers, raises funds, promotes communication between Pine View and our families, provides input to the school on issues of concern to our parents, and supports gifted advocacy on a local, state and national level. This is only possible with the help and dedication of our parent and community volunteers and donors, business partners, and staff. We do this because we want our bright and talented students at Pine View, our children whose futures are so abundant with possibility, to have every opportunity they deserve, every opportunity we can provide to them.

# SUMMER CAMP AUCTION!

The Summer Camp Spectacular  
Online Auction Runs **April 2-12**.

Get Sarasota's best summer camps and programs at a bargain (MASA, Sarasota Crew, Ringling College, The Compound and lots more!) and all the money raised goes to Pine View!

1. **Browse** the list of Pine View students' favorite summer camps
2. **Bid** on the best camps in town
3. **Bargain** You win, your kid wins, Pine View wins!
4. **Bonanza!** All the money raised in the auction (for the camps your kids already want to go to) goes to support Pine View School. Yahoo!

**THE PV SUMMER CAMP AUCTION APRIL 2-12**  
**BIDDINGFORGOOD.COM/PINEVIEW**

**All you need for a  
fantastic summer  
is right here.**

**from all of us on**

Pine View Association

• • •

Best. Summer. Ever.

That's not too much to ask, is it?

We didn't think so either. That's why we've scoured Sarasota for the very best summer camps to challenge and thrill your kids, expand their minds, strengthen their bodies, and get them outside in the sunshine and away from the video games.

We knew you'd be looking for some amazing activities for your kids this summer -- and we also know that all the really good summer camps fill up lightning fast. That's why we're combining a list of all the top summer camps for gifted students with a one-of-a-kind summer camp auction to benefit Pine View. So not only do you get access to the best camps first, your hard earned cash goes right back to our school. Win-win, right?

So whether your kid wants to get a perfect score on his SATs, or spend the summer learning to skimboard or fence, whether she wants to explore the violin or snorkeling, math, medicine, or furry little animals, her dramatic side or her inner rock star, we've got the perfect summer camp for every Pine View kid.

Check your email April 2 for details on our 3rd annual summer camp auction. And place your bid for some great summer adventures.

## FUN FOR ALL, ALL FOR FUN

*There are some very cool happenings around Sarasota County this summer.*

*There's something very cool about defying gravity as well as your own expectations*

# PINE VIEW SUMMER CAMP SPECTACULAR

**MASA (Math, Arts, Science, Achievement)**

**Summer Camp at Pine View School**

Pine View is proud to bring the MASA summer program for gifted students to Pine View. MASA stands for Math, Arts, Science Achievement, a center for High Achieving and Talented Youth. MASA is a program sponsored by Space Florida and NASA's Florida Space Grant Consortium. Our goals provide opportunities for students to be engaged in high quality science and math programs and to excite them about these subjects.

MASA programs provide students a comfortable and safe environment where they can be curious and have fun exploring Science, Technology, Engineering, and Math. Students will have opportunities, through hands-on activities and inquiry based instruction. MASA nurtures the unique needs of every student while encouraging the development of our future engineers, scientists, mathematicians, writers, and thinkers to delve deeper.

## **MASA Camps at Pine View for Grades 2-4**

### **Jun 8-12: Grades 2-4: YESCAMP Junior Scientist -**

Learn the discipline of a research scientist, conduct experiments in physics, chemistry and biology. Learn how to design an experiment, identify independent and dependent variables, conduct the experiments, analyze the data and plot and present the data. Conduct experiment on how many calories in fruit loops, Find out how to make a lava lamp. Experiment with density on zero Gravity. Experiment on how to drop an egg from 40 feet with one sheet of paper without breaking itUse science to make raisin dance and experiment with an Alker seltzer tablet to make a rocket fly.

### **Jun 15-19: Grades 2-4: Rube Goldberg Engineering -**

Have you ever wanted to build your own machine? Or have you ever wanted to turn off the lights without lifting a finger? Take on the roles of inventors as we take on the challenges of building a Rube Goldberg machine! Come and join a design team to brainstorm and build creative contraptions to solve everyday problems in a complex way using pulleys, wheels, dominoes, slides, marbles, and other items that you can find. We will learn the importance of physics in each contraption, allowing us to make the wildest and craziest machine ever! Perhaps you could even come up with the coolest way to turn off the lights or fill a cup with a refreshing beverage!

# PINE VIEW SUMMER CAMP SPECTACULAR

**MASA (Math, Arts, Science, Achievement)**

**Summer Camp at Pine View School**

#### **Jun 22-26: Grades 2-4: Thinking like Thomas Edison -**

Join us as we learn about the 1,093 patents that Edison made as well as the process it took him to get there. We will learn how to get into the mindset of an inventor and use our creativity to take on our inner Edison. "Then, implement scientific methods to make that invention come to life!

#### **July 6-10: Grades 2-4: Ancient Greece**

We will embark on a journey into the realms of Ancient Greece. We will learn about the great Parthenon on the Acropolis. Not only will we learn about the history, culture, and language of Ancient Greece, we will also explore their great achievements they made in math, science, medicine, and art. Through hands on activities, learn all about Pythagoras theorem and the value of pi from the great mathematician Pythagoras. You will be introduced to one of the greatest thinkers and scientists, Archimedes. Learn about the Archimedes screw and how he explained the principal of the lever, concept of buoyancy and how he launched a fully loaded ship all by himself. After joining us on this journey, you will truly realize how big of an influence Ancient Greece has on our culture today!

#### **Jul 13-17: Grades 2-4: Science of Amusement Park**

Discover the physics and mathematics behind roller coasters, merry-go-round, carousel, bumper cars as we take a thrilling ride through twists, loops and sharp turns. Apply Newton's Laws to design, build and test various roller coasters, and work as a team to build the ultimate coaster. Apply your knowledge to build your own carousel and free fall. Decorate it and design an parachute car to make it the coolest ride in the park.

**Camp Value: \$200 per week, \$1000 for all 5 sessions. The PV auction winner will receive the 5 week camp.**

**THE PV SUMMER CAMP AUCTION APR 2-12**  
**BIDDINGFORGOOD.COM/PINEVIEW**

# PINE VIEW SUMMER CAMP SPECTACULAR

**MASA (Math, Arts, Science, Achievement)**

**Summer Camp at Pine View School**

## **MASA at Pine View for Grades 5-8**

### **Jun 8-12: Grades 5 -8: Biochemistry -**

This laboratory based camp will give students the opportunity to study and execute fundamental techniques in the scientific method. We will investigate fermentation processes and tackle topics such as acids and bases, reactivity of metals, analysis of foods for lipids, proteins, carbohydrates, and anaerobic respiration in a fun and intellectually challenging way. Using agar cultures, we will test for bacteria and find the filthiest location in your home!

### **Jun 15-19: Grades 5-8: Architecture -**

A Study of Math, Art, and Physics. Architects have the unique job of blending both art and science together. Known as the masters of Geometry, architects use their engineering skills to produce some of the most breath-taking structures in the world. Come join us as we learn the basics of the various types of bridges and arches and the basics of construction. We will discuss the core engineering principles such as compression, tension, and their effect on the strength of towers. We will also explore the relationships between math, science, and architecture through researching, drawing, and scale model building. Finally, we will build our own structures and using our new innovative ideas, we will test to see who can make the strongest tower!

# PINE VIEW SUMMER CAMP SPECTACULAR

## MASA (Math, Arts, Science, Achievement)

### Summer Camp at Pine View School

#### **Jun 22-26: Grades 5-8: Invention Convention -**

Develop the skills of designers and inventors. Work with a team to design, build and test your own new inventions. Leverage your knowledge of forces, simple machines and conservation of energy to design and build a complex contraption to complete a simple task. Become the ultimate mechanical engineer, then design and build your own machine. Use technology to design a brochure to advertise and sell your invention.

#### **July 6-10: Grades 5-8: Space Colony -**

As you know NASA is preparing a trip to Mars. It might be possible in your lifetime that humans can Visit and Vacation in Mars. How do We survive the harsh environment of Mars? How do we live in low gravity and lack of oxygen? What kind of homes can we build? What do we eat? How do we get water to drink? Help NASA in their adventure. Design and create space colony on Mars, design homes, sleeping quarters, determine crops to plant and grow and decide on an organizationgovernment system in this colony. Should it be a dictatorship or a democracy? Which would work better in a colony? Come learn about the Martian life.

#### **Jul 13-17: Grades 5-8: Energy Mania -**

Come explore energy with us as we study light, heat, sound, and electricity! Learn about what stars are composed of to how fun house mirrors work with our discovery of light. Discover how heat is different than temperature, what phase changes are, what conductors and insulators are made of, and how our senses can be fooledPlay with tuning forks and instruments to encounter resonance and dissonance and how sound travels best. Investigate many different types of batteries and make our own battery out of household items! Delve into energy as you.

**Camp Value: \$200 per week, \$1000 for all 5 sessions. The PV auction winner will receive the 5 week camp.**

#### **Pine View's 2015 Summer Robotics Camp**

Save the date for Pine View's awesome robotics program! Pine View will offer a full-day robotics camps again in Summer 2015! PV will be utilizing a supercharged combination of Pine View's own champion robotics team mentors with the Lego Mindstorm curricula and equipment. Beginning robotics campers will use the Lego Mindstorm system to build a base, frame, design armatures, engineer wiring and sensors, and program to solve robot problems. (How can I get through this maze? What is the meaning of life?) Intermediate robotics campers will build on their existing experience to create smarter robots and use more advanced technologies.

Session dates: week of June 22, week of Aug 10.

To reserve a spot for your child - and for more information, contact the PVA STEM Committee: [STEM@yourpva.org](mailto:STEM@yourpva.org).

## SURfit Stand Up Paddleboard/Surfing Camp

<http://www.surfitusa.com/surfit-kids/surfit-kids-camp/>

Kids will learn stand up paddleboarding, surfing (pending conditions), ocean safety and awareness and marine biology. Last year, campers had a great time and all sessions were sold out. The camp is run by two trained lifeguards and Hawaii watermen--both are lifelong surfers and coaches. Aaron Pollard is the head coach and trainer for SURFit's stand up paddleboard surf and racing team.

Forrest Pollard is currently an assistant water polo coach for Dartmouth as well as lifelong surfer, first aid and CPR instructor and lifeguard.

An additional coach will be hired to make sure the student to coach ratio is kept at about 1:6. Ocean safety and awareness are key lessons taught at camp as is marine biology.

SURFit provides all equipment, coaches are professional watermen (lifeguards, water polo coaches, surf coaches). Camper needs to bring water, sunscreen and snack. Spring breakers will need to bring a couple of snacks and lunch.

Camp Dates:

\*June 1-June 5th: Siesta Key Beach (4 day camp)

\*June 8th-June 12th: Siesta Key Beach

\*June 15th-June 19th: Siesta Key Beach

\*June 22nd-June 26th: Lido Beach Park

\*June 29 - July 3 (4 days) Lido Beach Park

\*July 6th-July 10th: Lido Beach Park

\*July 13th-July 17th: Lido Beach Park

\*July 20th-July 24th: Turtle Beach

\*July 27th-July 31st: Nokomis Beach

\*August 3rd-August 7th: Venice Beach \*August 10 - August 14th: Siesta Key Beach

Age requirements for Summer Camp: 6-14 (they break kids up into groups so the older kids get to do more and spend more time on the water).

**Value of Camp: \$185**

BID WITH YOUR FRIENDS! SURFIT HAS GENEROUSLY DONATED 4 CAMP SESSIONS

## Sarasota YMCA - Camp Discovery

<http://www.thesarasotay.org>

Camp Incredible is based at the Triad School and the Teen Center (see registration for specific dates and locations). Camp Incredible staff help campers build friendships, and new skills while participating in weekly themes, specialty camps and field trips. Trying new activities and honing favorites while belonging to a positive and fun camp environment is an important part of the Camp Incredible experience.

Camp Discovery at the Evalyn Sadlier Jones Branch YMCA (8301 Potter Park Drive) incorporates life skills with fun activities like arts and crafts, outdoors games, team building and more. Outdoor Expeditions Camp includes climbing the Y's alpine tower and Carolina Climbing Wall and hiking. The Outdoor Expedition Camps will also have more field trips added such as Tree Umph, Sky Zone, Bounce Down Under and more. Winner receives a one week session of camp. Dates run from:

June 1-August 14, 2015.

**Value of Camp:** \$165

## Children's Acting/Improv Creativity Workshop at Florida Studio Theatre

<http://www.floridastudiotheatre.org/>

Florida Studio Theatre offers many different Summer Camps! The winner of this camp will get a terrific introduction to Florida Studio Theatre, or a fun-filled warm up for a longer camp. The Improvisation Creativity workshop is a one week camp full of creative play, art activities, song, dance, movement and IMPROV!

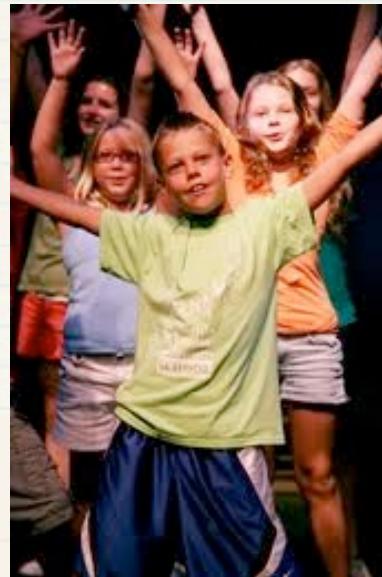

Hours 10:00 am - 3:30 pm

Camp Dates:

June 1- June 5, **or**

June 29 - July 3

**Value of Camp:** \$150

# PINE VIEW SUMMER CAMP SPECTACULAR

## Little Theatre Intro Week at Florida Studio Theater

<http://www.floridastudiotheatre.org/>

Florida Studio Theatre offers various Summer Camps. This camp is an exploration of all aspects of the theatre, for our youngest theatre artists. This class includes acting, movement, music, dance, and visual art projects led by theatre professionals. Culminates in an Open Class for family and friends.

Camp dates:

June 1- June 5, or

June 29 - July 3 / 9 a.m. to 1 p.m.

Prerequisite: Must be a Kindergarten graduate.

**Value of Camp:** \$125

## Sarasota Orchestra's Summer Music Camp

<http://www.sarasotaorchestra.org/education/programs/summer-music-camp>

This three-week fun-filled musical learning experience is open to students of all abilities. Activities for string, woodwind, brass and percussion students include daily rehearsals in a large ensemble, a technique class and skill-building in an elective class.

June 29 - July 17, 2015

\*Strings 9:00-11:30 (students must have completed 2nd grade)

\*Band 1:00-3:30 (students must have completed 5th grade)

**Value of Camp:** \$280

SIGN UP WITH FRIENDS! SARASOTA ORCHESTRA HAS GENEROUSLY DONATED 4 CAMP SESSIONS!

## Venice Theater Summer Camp: Grades 1 and 2

<http://www.venicestage.com/>

### TheatreFest Grades 1-2

**Foundations for the Littlest Stars** - For students who are going into grades 1 & 2. Class demonstration on MainStage. Theatre fun for little ones. Children rotate daily between singing, dancing, creative dramatics and technical theatre.

Two-weeks: July 14 - July 24, from 1:00 - 4:00 daily

**Value of Camp:** \$220

**THE PV SUMMER CAMP AUCTION APR 2-12**  
**BIDDINGFORGOOD.COM/PINEVIEW**

**ONE QUESTION  
COULD SAVE  
YOUR CHILD'S LIFE.**

**ASK**

**"IS THERE AN  
UNLOCKED GUN  
WHERE YOUR CHILD  
PLAYS?"**

FOR MORE INFORMATION ON HOW TO KEEP YOUR CHILD SAFE,  
VISIT [WWW.ASKINGSAVESKIDS.ORG](http://WWW.ASKINGSAVESKIDS.ORG)

# **ASK**

**ASKING SAVES KIDS**

## **CONSIDER THIS:**

**1 OUT OF 3 HOMES** with children have guns,  
**MANY left unlocked or loaded.**

**9 children and teens are shot  
EACH DAY in gun accidents.**

**80% of unintentional firearm deaths of  
CHILDREN UNDER 15 occur in a home.**

Hiding guns is not enough. Talking to your kids about gun safety is not enough. Children are curious and if they find a gun, they'll play with it. That's why all guns should be stored unloaded and locked, ideally in a gun safe, with ammunition locked separately.

So before you send your child to another home, just ask. And if you have any doubts about the safety in any home, invite the kids to yours instead. Asking might lead to some awkwardness, but that's a small price to pay for your child's safety.

## Business Partner

April's Business Partner in the Spotlight is Laura Ter Doest, PhD, Realtor, affiliated with Coldwell Banker Residential Real Estate's Siesta Key Office. Laura's daughter Nicole is a Pine View student in the 6<sup>th</sup> grade.

## In the Spotlight

Laura has long been an active participant in Pine View events and committees. She has been a PVA member since

2011, a PVA committee chair since 2012, and a PVA board member since 2013. She is currently a member of the School Advisory Council (SAC). In the past she has volunteered to assist in classroom activities and field trips, and served as liaison to the Pine View Student Wellness committee.

As co-chair of the PVA STEM Committee Laura has been instrumental in developing a STEM resource website and a STEM grant committee, and acts as liaison to the Middle School Robotics Club. The PVA STEM Committee is currently planning a Science Fair Resource Night to help support Pine View students interested in science fair participation in 2015 and beyond.

shade to cover one of Pine View's athletic courts.

Laura was also the co-chair and official contact person for PVA's participation in the 2014 Giving Challenge. In this online giving event, PVA raised more than \$37,000 in donations and matching funds for STEM equipment needs at Pine View. Laura currently serves on the committee organizing PVA's participation in the 2015 Giving Challenge, to be held on September 1 & 2, 2015.

# Scholastic Art & Writing Awards

The Scholastic Art Awards has released the National winners, which include two Pine View students. Since 1923, the Scholastic Art & Writing Awards have recognized the vision, ingenuity, and talent of our nation's youth, and provided opportunities for creative teens to be celebrated.

Courtney Allen, Alana Giarrano, and Sydney Straschnov received Silver Key awards for poetry. Peper Langhout received a Silver Key for her critical essay and Emma Hollingsworth received a Silver Key for flash fiction. Emma also received honorable mention for her personal essay/memoir and a different flash fiction, while Peper received an honorable mention for another critical essay.

**The John D. Woolever History Club of Pine View School**  
Proudly presents its annual school-wide simulation for  
2015, scheduled for Tuesday, April 7th, 2015

## A Renaissance Experience

- ❖ Enjoy an abridged Shakespearean production of *A Midsummer Night's Dream*
- ❖ Visit our Renaissance Village: interact with merchants, traders, skilled craftsmen and women, entertainers and scoundrels! Hair braiding and wreath-making available.
- ❖ Experience an English tavern, enjoy a sample of Renaissance fare, and interact with the Bard himself, William Shakespeare!
- ❖ Elementary and middle school students are invited to participate in the following craft opportunities:
  - Experience Michelangelo's challenge in painting the Sistine Chapel.
  - Create a simulated piece of "stained glass" in our glass workshop.
- ❖ Visit our Renaissance Museum:  
Our docents will take you on a tour of some of the greatest artwork and inventions of the time. Learn more about the imagination of Leonardo da Vinci, a true "Renaissance Man!"
- ❖ Enjoy roving entertainers, and dozens of notable Renaissance characters who will roam the campus sharing their stories.

### History Club Donations Wanted

The following is a list of donations we need to bring it all together, and anything you can donate is a huge help! Please send donations to either the front office or to Mrs. Regan's room, #409, with returnable donations clearly labeled. If you have any questions, or wish to offer your help, please email Mrs. Regan at [pat.regan@sarasotacountyschools.net](mailto:pat.regan@sarasotacountyschools.net).

- Food: Honey, sugar, tea; apple juice, white and red grape juice, apples, beef jerky, grapes, bakery bread (bring juices, honey, sugar, tea, and beef jerky at any time; please bring apples, grapes, cheeses and bakery bread the day before)
- Cardboard; pieces/sheets of 1/4" plywood; wooden crates
- Cloth (All kinds, clean and lightly used please!); muslin fabric, burlap material
- Small artificial flowers and other greenery; Ribbon (solid colors, any widths)
- Plastic fruits, vegetables
- Fair vendor tents to borrow
- Renaissance Costuming (Armor, Wooden Swords, Headdresses, etc.)
- Building Supplies (Tape, Plain Tailgating Tents, Table Cloths, Spray Paint, Foldable Tables/Chairs, Rope, Wood, Glass, Metals, etc.)
- Crafting Supplies: packages of multicolored tissue paper, packages of large black construction paper; small watercolor paint sets (Crayola type)

If you would prefer to make a monetary donation to help us purchase supplies, checks should be made payable to "Pine View School," attn.: History Club simulation. Any amount is greatly appreciated.

# QUACKS FOR A CURE T-SHIRTS

## JOIN THE QUACKS!

Support **CYSTIC FIBROSIS** and Pine View 5<sup>th</sup> grader, **MAX LAFORGE**  
and buy your "**QUACKS FOR A CURE**" t-shirt.

T-shirts are available now for pre-order.

Shirts will be **BLUE** with this design on the front  
and a list of "**MAX'S GUYS**" sponsors on the back.

Want to be a sponsor and have your name on the back of this  
great shirt? Contact Cara.Crowley@sarasotacountyschools.net.

All proceeds from shirt sales will be donated to  
Cystic Fibrosis Foundation.

Please throw on your shirt and join the Pine View Team "**MAX'S GUYS**" on **MAY 2, 2015** for the  
**CYSTIC FIBROSIS 2K GREAT STRIDES WALK** at Siesta Beach. Sign up here and join the Pine View Team

\*\*No Homework for participating students\*\*

- Teachers have the option of administering Term Final exams. However, all teachers in the same course must be consistent in scheduling or not scheduling exams.
- Teachers must clearly communicate to parents and students how Term Finals will be factored into their semester grades (EOCs factored into their final grade). All teachers teaching the same course must be consistent with the Term Final % weight.
- The regular schedule of classes will be followed with the exception of those students taking an EOC.
- Other than studying for Term Finals, **no homework** may be assigned May 21-May 28. For students with semester courses, no homework may be assigned May 21. This includes long-term projects and studying for a daily quiz or test. All long-term projects should be due the week of May 18.
- All semester courses must schedule their exams on the assigned day, May 22. Students with multiple courses in a particular discipline should make arrangements with teachers about the scheduling of those exams.
- World Language Department reserves the right to interchange the “listening” and the “written” portion of their exam during the two assigned dates.
- Students with multiple World Languages should coordinate with their World Language teacher to schedule their exam during May 22 or May 28.
- Humanities includes art, music, PE, and technology courses.

# 2015 PINNACLE ITEM DONATION REQUEST

## Seeking Parent Donations

The Pinnacle auction committee will soon be seeking item donations for our online event auction to take place in November 2015. We encourage Pine View parents to consider making an item donation for this important school fundraising event. All donations are fully tax deductible. Some donation ideas...

- frequent flyer airline tickets
- Event tickets
- Vacation home rental
- Home baked specialty food items
- Professional services
- lessons
- Luxury items
- Host a party/small event for other PV parents
- host an educational student experience (Dr. for a day, etc.)
- Host an adventure experience for other PV families

If you have an idea for an auction donation, please contact Beth Sullivan (941)456-5100 or Jen Mason (941)320-0876, [pinnacledonations@yourpva.org](mailto:pinnacledonations@yourpva.org) to receive an item donation form or pick one up from the school front office.  
Thank you for your support.

Visit us for your complimentary consultation!! Dr. Mohni Malik would love to help create your 'picture perfect smile!' ☺

# Favorite Teacher Contest

Many students from Pine View entered their teachers in the My Favorite Teacher Contest hosted by Barnes and Noble. Pine View students Julie Kourelakos, Western Trandem, and Alana Sotolongo will be receiving an **honorable mention** along with their **nominated teachers** Mr. Dacey and Mrs. Squires who will also be honored.

Entries were judged on the compelling nature of the teacher's qualities, the sincerity of the student's appreciation and the quality of expression and writing.

They will be

recognized at an event at the Sarasota Barnes & Noble where they all will receive a special award acknowledging their achievements with a certificate of recognition at the Sarasota store during the ceremony for the winning teacher.

The reception will be Wednesday April 15th @ 5:30 PM Please join us. Students will read their essays to their favorite teachers! It will be a night to remember!

# History Fair Winners

Congratulations to the following students who competed in the Sarasota County History Fair and will be going on to the Florida State History Fair Competition in Tallahassee:

## Group Website:

- First Place: Aravind Byju, Aria Pegah, Zachary Jordan, Austin Rockwood and Jacob Evans. "Giving Them Hope: Harvey Milk and the Continuing Struggle for Equality"

## Group Exhibit:

- First Place: Samantha Cahoone and Mikaelyn Pavlisin. "Something for the Girls: The Leadership and Legacy of Juliette Gordon Low"
- Second Place: Broderick MrCurdy, Andrea Munoz and Gabriela Munoz. "Osceola: Leadership and Legacy Shrouded in Myth and Legend"

## Group Documentary:

- First Place: Natalie Brokate, Esther Clode, Meghana Krishnakumar, Mira Chauhan and Marinna Okawa. "Dr. John Elmendorf: A Pillar of Innovation, Education, and Determination"

## Historical Paper:

- First Place: Blake Jackson. "The Legacy of Neurosurgery: Harvey Cushing"

## Individual Performance:

- First Place: Grace Wickerson. "Chien-Shiung Wu: The First Lady of Physics"

The theme this year is "The Individual in History: Leadership and Legacy." There were many more participants at the county level this year, which made this a tougher competition.

A huge "THANK YOU" goes to Cathy Hollar who guided a number of middle school students in developing projects for the Junior Division competition. This effort, requiring an incredible amount of extra time on Cathy's part, provided the students with an invaluable learning experience.

Soul Studios  
**Summer Camp**

Call Soul Studios Dance at 941-955-4444 with any questions!!!

# 2015 Earth Day at Pine View is Almost Here!

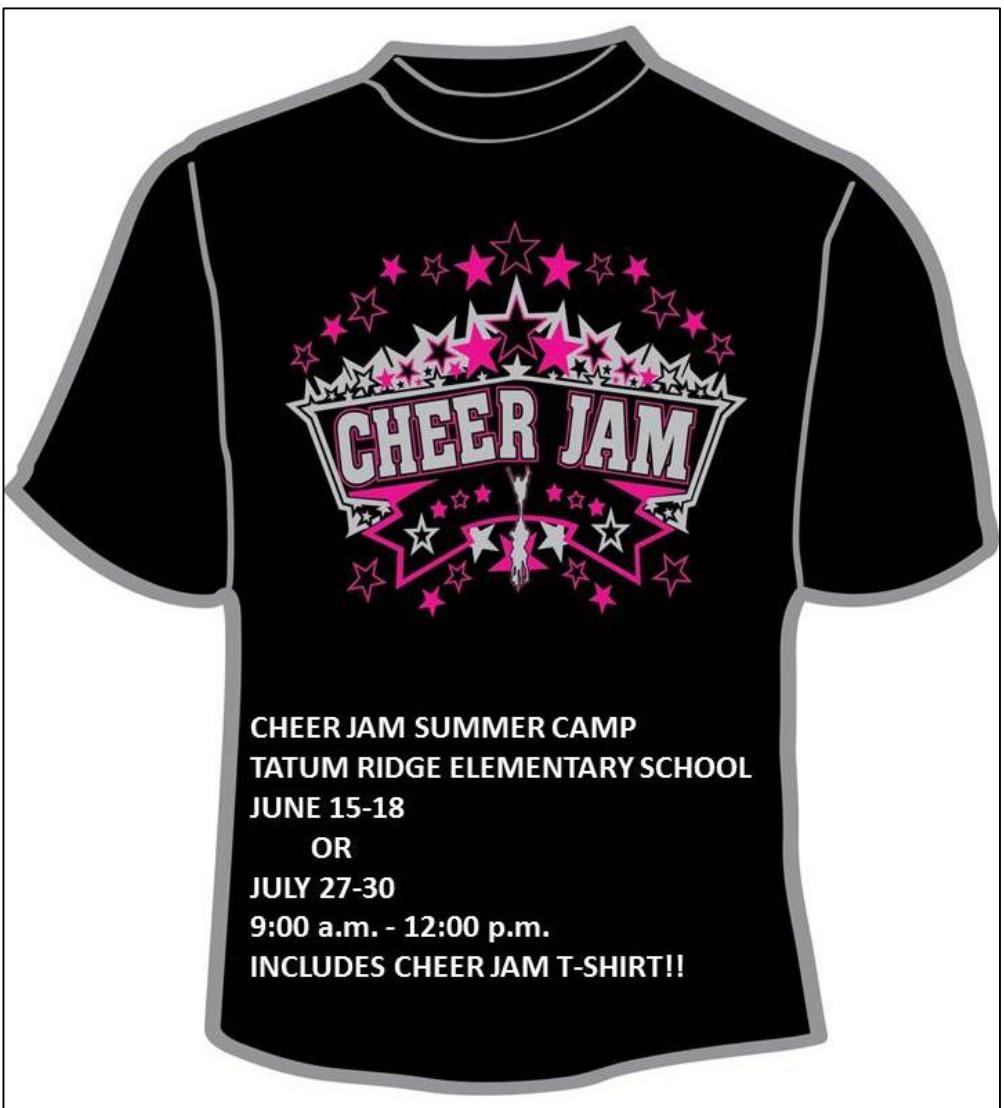

April 22, 2015

The Sustainability @ Pine View Core Team planning for our third-annual **Earth Day at Pine View** celebration is well underway. This year promises to be another exciting celebration where students come out to the Pine View Quad to have fun and learn about ways to protect our environment and live sustainably. The celebration is held during the three lunch periods on Wednesday, April 22<sup>nd</sup>...the same day that Earth Day events and festivities are held around the globe.

We invite students to come out during their lunch periods and participate at the activity tables, learn about the sustainability projects at PV, and see the sustainability art work that fellow students have been creating. You can find out more about S@PV on the Pine View web-site.

The Sustainability@Pine View link is under the "Academics" tab on the front page. For a better idea about what our event is like, watch the great YouTube video that was professionally produced after the 2013 Earth Day celebration. You can search YouTube for "Pine View School Earth Day" or navigate there through the S@PV web-site.

We can't wait to see you at our **Earth Day at Pine View** celebration!

# PV Pride

**Pine View Pride** rewards our Pine View Honor students for their hard work and dedication to obtaining good grades. PV Pride was held on November 21, 2014 and February 13, 2015 for the first and second quarters, respectively. Over 2,300 awards were distributed for the first two grading periods to approximately 80% of those students eligible to receive an award.

For the first two PV Pride events this school year, high school student awards have included breakfast (Dunkin' Donuts Valentine's specialties were a wonderful treat), lunch (PDQ's hot catered meals were a huge hit), AMC movie passes and Starbucks gift cards. Middle school student awards have included lunch, Keva Juice smoothies, and customized Pine View gifts (frisbees, bottle chillers, baseball caps, foam footballs and backpacks). Elementary school selections have included Keva Juice smoothies, Whole Foods frozen fruit bars and the customized Pine View gifts.

We would like to thank: **PDQ, Dunkin' Donuts, Whole Foods, Keva Juice, Einstein Bros., Jersey Mikes, Geckos and Applebees** for their generosity and donations this year; **PVA** for funding our awards; all of our **parent volunteers** for helping us distribute awards on PV Pride Day; **Rachel North Zipay** for administering Sign-Up Genius to help us recruit volunteers; **Lisa Matthews**, who passed us the baton this year, but is still very much involved; and finally, Pine View administration for your help and support, with special thanks to **Gena Bufkin** for compiling our student lists each

quarter and **Pauline Sarkozy** for setting up all of our tables, signage, etc. We couldn't pull off these successful events without you all!

**PV Pride for the third quarter will be held on Friday, April 24, 2015.** We are always in need of parent volunteers. It's a fun and rewarding day for students and volunteers alike, so please contact us if you are able to help in any way for any amount of time or are willing to donate goods or services.

Please return completed registration form and checks made payable to "Summer Math Prep" to the front office.

# Choir News

from Seth Gardner

**Thursday, April 30, 2015**  
Spring Choral Concert  
PV Auditorium  
7:00pm

## Mr. G's Podium:

I am so excited to announce that all of the Pine View Choirs did very well at the Florida Vocal Association's Music Performance Assessment at North Port High School. The students were adjudicated by three judges in performance and one judge in sight-reading (SR). If a choir received a "Superior" from a judge, it is like getting a "5" on FSA (FCAT) and an "Excellent" is like getting a "4". If a group gets three or four "Superiors", the overall rating is "Superior".

*I am really excited to announce that the Pine View Middle School Choir received a "Superior" rating from every judge! I am over the moon! This the first time a MS Choir has participated in MPA from Pine View!*

Here are the results:

**HS Combined Chorus  
(Vocal & Ensemble & High School Chorus) = Excellent**  
Judge 1= Superior  
Judge 2 = Excellent

Judge 3 = Excellent  
SR Judge = Superior

## Vocal Ensemble = Excellent (SO CLOSE!)

Judge 1 = Superior  
Judge 2 = Excellent  
Judge 3 = Excellent  
SR Judge = Excellent

## HS Chorus = Excellent

Judge 1= Excellent  
Judge 2 = Excellent  
Judge 3 = Excellent  
SR Judge = Superior

## MS Chorus = SUPERIOR

Judge 1 = Superior  
Judge 2 = Superior  
Judge 3 = Superior  
SR Judge = Superior

I want to thank the parents for all of their support. We had many awesome chaperones! I want to thank the Pine View Staff for their flexibility this week, allowing students to make up tests and attend combined rehearsals. The administration here at Pine View is amazing and I have felt nothing but support from the moment I stepped on this campus. Finally, all of this is impossible without the incredibly talent students I "GET" to teach every single day.

### **Important yearbook ordering information:**

- Pre-order and SAVE over 30% if you purchase by the FAIR! Yearbooks are sold exclusively through **YEARBOOKFOREVER.COM** and at select school events (OPEN HOUSE). Watch for a link on the PV Home Page.
- Pre-ordering a yearbook guarantees your student a book.
- Limited scholarships available. Please contact Ms. Shannon by Dec 18<sup>th</sup>

The yearbook is always looking for candid action shots of Pine View students! If you'd like to submit pictures to the yearbook, please e-mail pictures to [theviewpv@gmail.com](mailto:theviewpv@gmail.com) OR burn pictures to a CD. Include names of the students in the picture and what they're doing in the body of your e-mail or on a separate sheet of paper. Pictures of off-campus and after-school events, sports, and clubs are especially needed!

*NOTE: Pictures submitted to the yearbook will not be returned and may/may not be included in the yearbook.*

Please visit our website (<http://www.myteacherpages.com/webpages/PVYearbook>) for more information or e-mail us at [theviewpv@gmail.com](mailto:theviewpv@gmail.com) with any questions.

# More Contest Winners

## Pen Women

The following seniors were winners in the Letter Awards from the Sarasota Branch of Pen Women.

1st Place	Laura Hand	<i>Zeusophobia</i>
2nd Place	Amanda Marsh	<i>The Circus</i>
Merit Award	Emma Butturonia	<i>Sanctuary of Words</i>
Merit Award	Alana Giarrano	<i>My Body is a Canvas</i>

The following Pine View students were winners in the Pen Women Art Scholarship:

- Elizabeth Cai-Pippin - \$1000,
- Anneliese Hardman - first place, \$500
- Zoe Bowden 3rd place, \$250.

## Creative Communication

Olivia Mason (pictured right) is a Top Ten Essay winner for Creative Communication for her essay: Pink Warrior. She won a \$25 check and will be published in their Fall essay publication.

## Poetry Out Loud

Laura Hand went to Tallahassee to compete in the state competition for Poetry Out Loud on February 28th. She placed 14th out of 62 contestants and she wishes to inform us that the judges thought she was the best dressed!

## Model United Nations

Please congratulate our PV Model United Nations students who attended FHSMUN States in Altamonte Springs near Orlando and earned the following awards:

Alexandra Knapp – Best Delegate GA2  
Samuel Winegar – Best Delegate Ad-Hoc  
Maddy Kausel – Best Delegate – UNESCO  
Johathan Mitchell – Best Delegate UNEP  
Jordan Phillips – Best Delegate WHO

Honorable mention for Delegation – Romania, represented by Jonah Mundi, Claire Shiparski, Tim Myrni, Megan Fowler and Alex Anacki.

Distinguished Delegation – Egypt – represented by William Zelin and Josh Wolff  
Outstanding/Best Delegation – India –(3<sup>rd</sup> in the state) represented by Liza Williams, Hunter Hampton, Ben Lima, Matthew Putnam, and Sahil Pankhanya

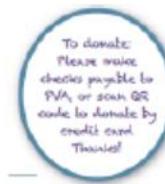

- Argentina –(1<sup>st</sup> in the state) represented by Alexandra Knapp, Samuel Winegar, Alisse Palmer, Maddy Kausel, Jonathan Mitchell, Jordan Phillips, Peper Langhout, and Samuel Cacioppo.

# The 2014 PVA All-In-One Form

You must complete and sign this form every year either online at [www.yourPVA.org/keytotheuniverse](http://www.yourPVA.org/keytotheuniverse) OR by completing this paper form to 1) be included in the directory, 2) receive Pine Views, and 3) join PVA, Pine View's parent association. The good news? Through the marvels of modern technology we have gotten this down to just one piece of paper. Yay! (We're still working on the robot to fill it out for you.) Please complete the web form or return the paper form to the front office no later than October 5 or you'll miss out on practically everything.

## Select all that apply:

- Include our student/family in our handy 2014-2015 school directory
- Join (or re-join) Pine View Association
- I would like to donate to Pine View Association
- \$50     \$100     \$250     \$500     other \$ \_\_\_\_\_

After completing this form, your donation can be made using the QR code at right, or online at [yourpva.org](http://yourpva.org), or by sending a check to the school office with this form. PVA membership donations benefit the PVA General Fund and may not be applied to PACE, Sponsorships, or other specific programs.

- I'm interested in a free listing in Pine View's parent Business Directory
- Do not publish students address in school directory
- Do not publish students phone in school directory
- Do not publish students email in school directory
- Do not publish parents email in school directory

# Book Exchange Benefits Charity

Pine View Elementary students participated in a Book Exchange to support the All Faiths Food Bank on February 19th. Students donated non-perishable food items as entry tickets to participate in a gently loved book exchange.

The final count was over 500 items of food were donated to All Faiths Food Bank! Students shared a love of reading by trading their books with others and demonstrated social responsibility as community service to support the All Faiths Food Bank.

## LEIGH GORDON, LCSW

Child, Adolescent & Adult Psychotherapy

Working with children and families for over 16 years.

Treatment for children & adolescents including:  
School related problems  
Adjustment difficulties  
Depression  
Anxiety  
Eating disorders  
Family conflict and divorce

Leigh Gordon is a licensed clinical social worker who treats children, adolescents and families. She believes strongly in using a family centered approach and collaborates closely with schools as part of the evaluation process. Individual, family and couples psychotherapy are used to achieve optimum results. To schedule an appointment, call **941.914.5840**.

1808 Orchid Street, Sarasota, FL 34239 | 941.914.5840 | leighgordonlcs@gmail.com | www.leighgordonlcs.com

# American Math Competition

The American Mathematics Competition (AMC10/12A) was given to 36 9-12 graders on February 3. Dedicated to strengthening the mathematical capabilities of our nation's youth, the AMC program identifies, recognizes, and rewards excellence in mathematics through a series of national contests.

Every year, at thousands of schools in every state, more than 350,000 students are presented with a set of questions rich in content, designed to make them think and sure to leave them talking.

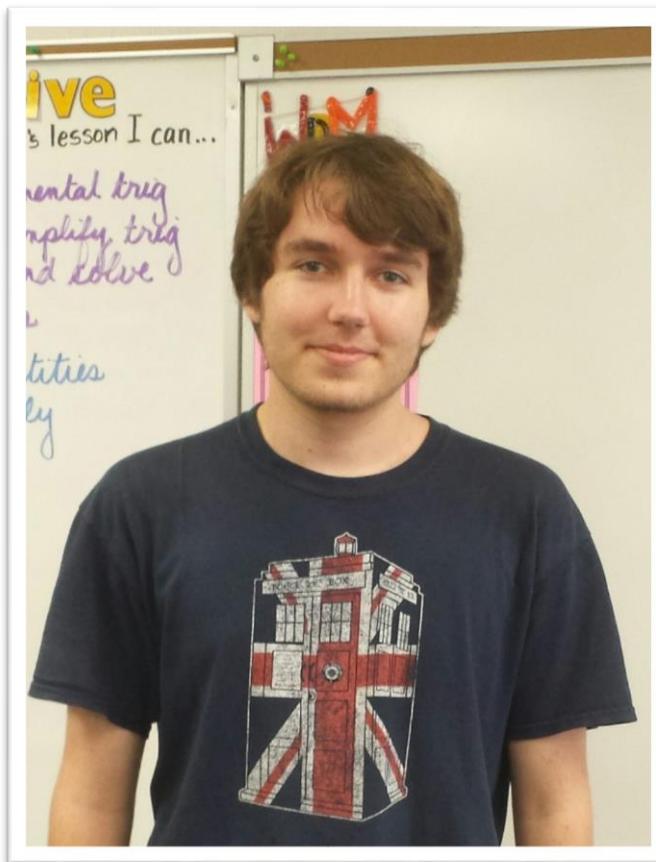

## AMC 10A:

Jackie Cetola, Livia Qoshe, Zachary Raad, Joseph Flahavan, Alyx Reckahn, Rachel Galindo, Slynia Shi, Dylan Hull, Chelsea Singleton, Ashley James, Gabriel von Kessel, Soumya Kona, William Wang, Brandon Lo, Joshua Wolff, Celeena Memon, Connor Wozniak, Emily Zezas

## AMC 12A:

Aravind Byju, Axel Martin, Max Chern, Parker Mason, Michael Dirr, Andrew Fetigan, Vaisakh Nair, Alex Fong, Christopher Newell, Nicholas Pelisek, Shawn Huang, Caleb Proffitt, Thomas Junker, Peter Scherbak, Jeevesh Konuru, Alex Sosa, Lisa Liu, Chloe Thacker

Caleb Proffitt (pictured right) qualified to go on and take the prestigious four-hour American Invitational Mathematics Exam (AIME) on March 19, 2015.

## Pine View College Night 2015

Please join us on Thursday, April 2nd from 6:30-8:10 pm in the Pine View auditorium for the 2015 College Night. The general session and workshops to follow will consider various aspects of the college search and application process. Important timelines, information related to Naviance and the PV website, standardized testing, college costs and affordability, and more will be shared.

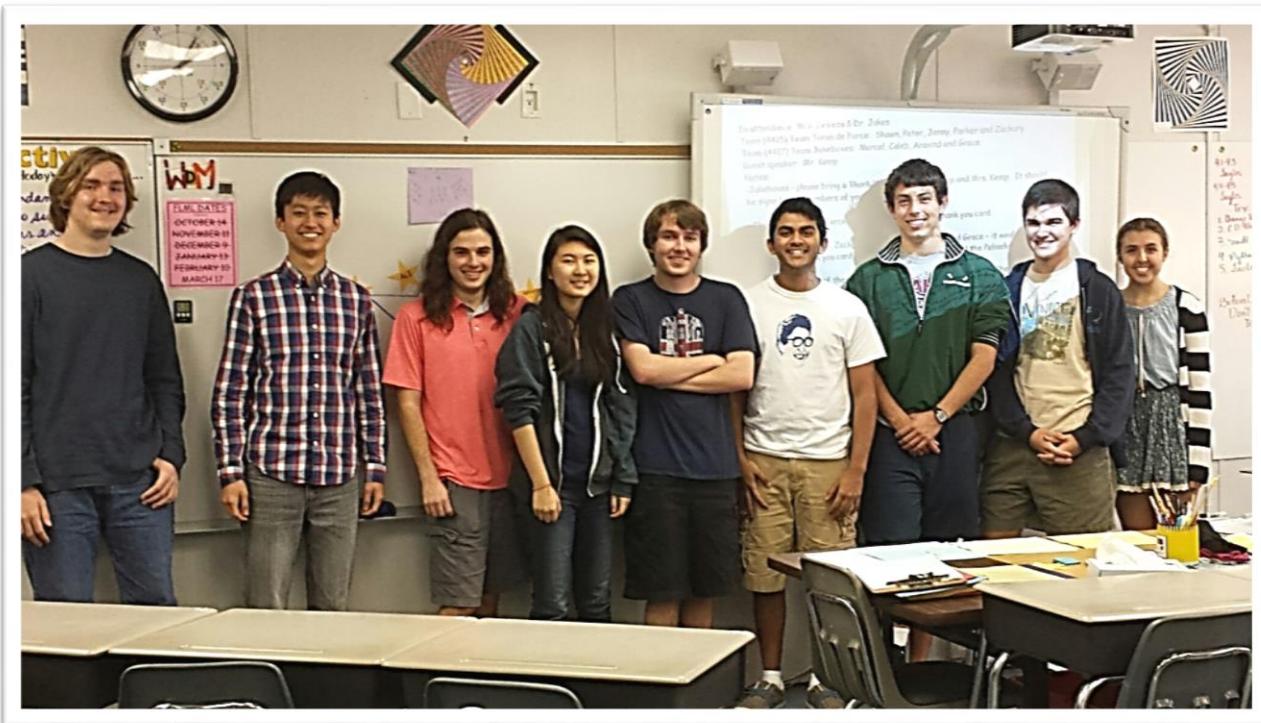

# Moody's Math Challenge

The problem this year was: "STEM Sells: What is Higher Education Really Worth?"

Two teams from Pine View, Team Jukeboxes and Team Torus de Force, competed. Both teams produced a 19-page paper in 14 hours on March 1. Both teams made it through triage which means they are in the top 201 teams nationwide out of 1128 teams that sent in a viable solution.

Team Jukeboxes (Nick Pelisek, Caleb Proffitt, Aravind Byju, Grace Wickerson and Marcel Griffioen) won Honorable Mention, top 5%, which comes with \$1000 scholarship money to be split among team members. Congratulations to both teams on a job well done!

Moody's Mega Math Challenge is a mathematical modeling contest for high school students sponsored by The Moody's Foundation and organized by SIAM. The M<sup>3</sup> Challenge spotlights applied mathematics as a powerful problem-solving tool, as a viable and exciting profession, and as a vital contributor to advances in an increasingly technical society. The contest introduces high school students to applied mathematics by giving them an opportunity to work in teams to tackle a real-world problem under time and resource constraints akin to those faced by industrial applied mathematicians.

Both teams picture above: Peter Scherbak, Shawn Huang, Zackary Corbett, Jenny Li, Caleb Proffitt, Aravind Byju, Marcel Griffioen, Nicholas Pelisek, Grace Wickerson, absent: Parker Mason

**Application for NEW PSAT/SAT REVIEW COURSE 2015  
FOR PINE VIEW CLASS OF 2017 ONLY  
(Must be a PV junior 2015-2016)**

Please check here if you have any medical issues and explain for emergency purposes only.

Return bottom portion along with your check made out to Pine View to Mrs. DeVeau in portable 26 (not her mailbox) by Thursday, April 30, 2015.

# 4th Grade Trip to O'Brien Farms

The trip was awesome. The kids learned about bees from a master beekeeper, learned all about hydroponics and things that are grown locally, and picked and brought home their very own strawberries. It was a great day!

# Media Center News

## SSYRA (Sunshine State Young Readers Awards)

April 15<sup>th</sup> will be the final day for students to submit completed gold forms for the SSYRA program. Remember, students must have read 3 or more SSYRA books to be invited to the pizza party and qualify to vote for their favorite book.

We will tally and log the number of books read by each student and get right on to the Pizza Party planning ☺

The program has been especially successful this year. Participation has increased from 25 students last year to 85 this year, 51 of which have read three or more SSYRA books.

## Student Art Display Case

### Kaya Vagts grade 4 (written by Kaya)

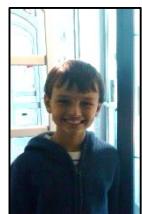

I started to work on art when I was very young. My artwork started out as very abstract items that make no sense to me right now. Now, I enjoy drawing fairies, animals and people. Now my art is more understandable and convincing than before. When I was young, art was just something that I did. Recently I was inspired by books and things I found online. I also like using a mixture of fine tip markers and colored pencils.

### Hailey Balzan grade 4 (written by Hailey)

I have always loved to draw even before I was in preschool. My cousin, Amanda, is a professional artist. She gave me some tips and tricks on drawing. I really enjoy drawing in my free time. I attend an art camp every summer. Whenever I free draw it's usually animals, especially dogs and cats. I hope you like my drawings!

### Giovanni Brunetti grade 4

Giovanni has enjoyed drawing since he was very little. He has learned a lot about drawing from his father who is also an artist. Giovanni prefers to draw animals and mythical creatures using pencil. Giovanni and his dad watch for animals in nature, take photos and use those to draw from. The animals featured here were all seen in his yard with the exception of the owl which was a sculpture.

### Madison Zoernack grade 4

Madison started drawing when she was only 4 years old. Her older brother taught her a tracing technique, but she has always preferred creating her own drawings. Madison usually uses only a pencil, but sometimes adds color with colored pencils.

# Literacy Tips

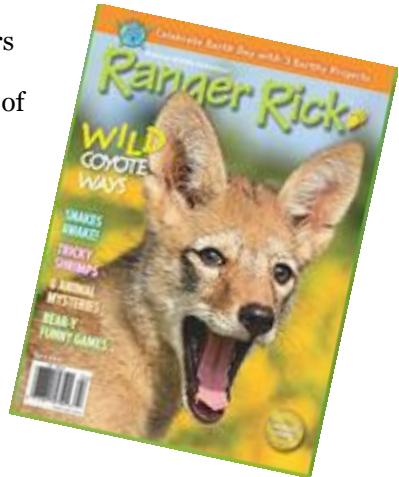

by Pine View Literacy Team

It is commonly understood that the more children read, the better readers they become. The more enjoyable the reading, the more they will stick with it. Parents and teachers can help support a child's literacy by providing a variety of reading material. One excellent source of quick and entertaining reading is a magazine. Sometimes kids just want something they can read quickly to keep them occupied and entertained for a brief period of time – magazines will do the trick. Below are several lists of magazines for various age groups and interests.

These magazines are designed for the child in the pre-literacy or early literacy stage (ages 3-6). They contain stories, poems, and riddles designed to be read aloud. This helps foster a love of learning in the young child.

**Ladybug** (short stories and poems)

**Click** (science, art, nature and environmental issues)

The following magazines are well suited for the young independent readers (ages 6-9). The length and topics of the stories are perfect for supporting independent reading and maintaining an interest in reading.

**Ask** (science, history, inventors, and artists)

**Spider** (stories, poems, activities along with illustrations by famous children's artists)

**Appleseeds** (cultural and historical topics)

**Highlights** (a wide variety of literature to appeal to all interests)

**Ranger Rick** (animals and nature)

This list provides magazines that are perfect for the pre-teen to young teen age group (ages 9-13). These magazines provide wonderful articles about topics that are of interest to this age group.

**MUSE** (science and art articles peppered with edgy jokes)

**Cricket** (high quality fiction and non-fiction stories with humorous commentary with each story)

**DIG** (the magazine gets its title from “dig sites”, read articles about history and archaeology)

**FACES** (learn about people, places and culture around the world)

**Odyssey** (explore science and how it relates to our everyday life)

**Cobblestone** (interesting articles on American history)

**Creative Kids** (stories, games and puzzles written by kids for kids)

**National Geographic World** (natural history, science, and outdoor interests)

**Owl: The Discovery Magazine for Kids** (science, nature, and technology)

**Skipping Stones** (multicultural stories)

**Sports Illustrated for Kids** (articles about professional and amateur sports)

**Stone Soup** (poems, stories and expository pieces written by kids)

**Time for Kids** (weekly news magazine featuring current events around the world)

**US Kids** (historical stories presenting in an appealing manner for this age group)

The following list provides magazines that are geared to the teenage group (ages 13+). These magazines tend to focus on specific topics of interest such as sports, fashion, electronics, or current events in the news.

**CICADA** (thought-provoking stories and poetry written about teens for teens)

**Merlyn's Pen** (stories and poems written by teens)

**Electronic Gaming Monthly** (up-to-date information on video games)

**ESPN Magazine** (latest sports information)

**GL** (formerly Girl's Life, advice for girls on school, family, and friends)

**Mad** (humorous satire)

**Seventeen** (fashion and beauty magazine for girls)

Mallori Johnson made and brought in a pumpkin pie and a cherry pie to share with her Trig class to celebrate Pi Day

**6<sup>th</sup> Grade  
Math**

Our goal is to help prepare incoming 6<sup>th</sup> grade students for the transition to Pine View's accelerated math curriculum. Data from student placement tests is used to create differentiated lessons based on critical 6<sup>th</sup> grade skills & to remediate skill deficits.

- **When:** Session A: June 22 - June 25  
Session B: June 29 - July 2
- **Where:** Pine View School, Portable TBA
- **Time:** Monday through Thursday  
9:00 AM to 12:00 PM
- **Cost:** \$260. per session / \$500. both sessions

## 6<sup>th</sup> Grade Math Success

- **Session A Focus:** algebraic thinking & number sense, speed drills, and mathematical fluency.
  - **Session B Focus:** rational numbers, algebraic expressions, & distributive property, speed drills, and mathematical fluency.
  - **Both sessions** will include successful tips and strategies for: staying organized, taking notes, studying, and incorporating the numerous technology and text resources available to enrich students' mathematical understanding.
- \*The material presented will focus on the content of the first quarter of the school year. A heavy emphasis is placed on order of operations, algebraic expressions, fractions, decimals, speed drills, and mathematical fluency.

*\*Students may attend one or both sessions. Mathematical content changes each week as do the organization & study tips.  
We recommend students attend both sessions if possible.*

### Math Transition Registration Form: 20 seats available – Register Now!

My child will attend:

Session A

Session B

Both Sessions

Parent Name: \_\_\_\_\_

*\*Please return completed registration form and check made payable to MSMT, Inc. to the front office. If you would like more information or a sample daily schedule please email [MSMTINC@gmail.com](mailto:MSMTINC@gmail.com)*

# Math, Arts, Science Achievement Center

## Summer Camps- Pine View School

MASA provides opportunities for high achieving and gifted students to learn engineering, math, and science. Students will have opportunities through hands-on activities and inquiry based instruction to explore, comprehend, analyze, discover, and evaluate concepts while motivating one another. In addition, we teach students how to take the first step in problem solving and to overcome the fear of being wrong. Our goal is to nurture students who are eager to reason, who are curious, who can persevere through difficult situations without giving up and who are willing to try new things by overcoming the fear of being wrong. Students design, build and test prototypes and participate in evidence based discussions.

**Summer Camp; 9 am- 3 pm; \$205 per week; \$190 per week if sign up for all 5 weeks**

### Grades 2-4

#### **Jun 8-11: Junior Scientist**

Be disciplined like a research scientist; conduct experiments; identify variables, analyze data and plot and present the data.

#### **Jun 15-18: Rube Goldberg Engineering**

Brainstorm and build creative contraptions to solve everyday problems using pulleys, wheels, dominoes, slides, marbles.

#### **Jul 13-16: Thinking like Thomas Edison**

Get into the mindset of an inventor and use our creativity and the scientific method to make that invention come to life!

#### **July 20-23: Ancient Greece**

Explore great Greek achievements in math, science, medicine, and art. Explore activities in Pythagoras theorem, Pi, and Archimedes principle!

#### **Aug 3-6: Science of Amusement Parks**

Discover the physics and math behind roller coasters, merry-go-round, carousel, as we take a thrilling ride through twists, loops and sharp turns.

### Grades 5-8

#### **Jun 8-11: Biochemistry**

Investigate fermentation processes, acids and bases, reactivity of metals, analysis of foods for lipids, proteins, carbohydrates, and anaerobic respiration.

#### **Jun 15-18: Architecture**

A Study of Math, Art, and Physics: Learn core engineering principles such as compression, tension, and their effect on the strength of towers.

#### **Jul 13-16: Invention Convention**

Leverage your knowledge of forces, simple machines and conservation of energy to design, build and test your own new inventions.

#### **July 20-23: Space Colony**

Design and create space colony on Mars; design homes, sleeping quarters, determine crops to plant and grow.

#### **Aug 3-6: Energy Mania**

Explore energy in forms of light, heat, sound, and electricity. Investigate many different types of batteries and make our own battery out of household items!

To register, please go to [masaflorida.org](http://masaflorida.org); Create an account and input all information. You will receive a confirmation email at which point you can register for camps. You register and pay with credit card once an account has been approved for you.

Scholarship: Available through PVA. Parents should contact their grade level counselor or administrator.

# Advertise Your Business in *Pine Views*

*Pine Views* provides a fantastic and targeted opportunity to promote your business, organization, or club to more than 2,000 of Pine View's families, faculty, staff, and business owners. *Pine Views* is a popular, must-read resource for Pine View families. Most families read it cover to cover! And advertising in *Pine Views* not only provides a unique opportunity to communicate with our families, business owners, and staff but has the added benefit of supporting Pine View School. Plus, PV families are incredibly loyal to the businesses that support our school. **All advertisements and payments must be received by the 10<sup>th</sup> of the month to be included in the following month's issue.** *Pine Views* is published by PVA and provided free to every student family.

## Ad sizes available (please check appropriate box)

- Full Page \$500.00 (approximately 7.5" x 10")
- 1/2 Page \$300.00 (approximately 7.5" x 5")
- 1/4 Page \$175.00 (approximately 4.5" tall and 3.867" wide)
- Business Card \$100.00 (approximately 2.25" tall and 3.867" wide)
- Banner \$100.00 (approximately .859" tall and 7.624" wide)

Name of Business: \_\_\_\_\_

Business Address: \_\_\_\_\_

City, State, Zip: \_\_\_\_\_

Business Phone: \_\_\_\_\_

Contact Person: \_\_\_\_\_

Check #: \_\_\_\_\_ (Please write "*Pine Views*" on your check and envelope)

Which month(s) do you want your ad to run? \_\_\_\_\_
