# President's Letter

Dear Pine View families,

**"Every child must be made aware/Every child must be made to care/Care enough for his fellow man/To give all the love that he can."** The collaboration between rocker David Bowie and crooner Bing Crosby was considered bizarre at the time: Ziggy Stardust and Der Bingle?, but these lyrics from the 1977 duet "Peace on Earth/The Little Drummer Boy" highlight that with a little rehearsal and a lot of goodwill, beautiful music with a strong message can reach any age throughout the years.

Pine View's Winter Choral Concert will be held on December 4<sup>th</sup> and it kicks off the holiday season in style. PVA encourages you to come out for Pine View's concerts, performances, sporting events, and more all season long. Did you catch our rockin' Volleyball district champs? Now that the magic and excitement of the Fair and Pinnacle are past, it's more important than ever to find ways to join together and spread goodwill on stage, on the court, and throughout our community.

Thank you to Meeru Fendt, Cathi Bell, Sue Keating, Mildred Pastorizo, Beth Sullivan, Renee Ryckman, Angela Hager, Laureen Martel, Amalia Flores, Poonam Maini and Alyson Zildjian, and the entire Pinnacle Committee for an elegant Indian-inspired evening at the Chelsea Center. Thank you especially to the Wilborn family for your leadership gift to kick-start a grand evening. The live and silent auctions were extremely successful and will support Pine View in dozens of ways. And thanks to Dr. Covert for showing us the moves in the Bollywood Ballroom. YouTube, anyone?

As the weather turns warmer after our three days of winter here on the Gulf Coast, Aurelie VandenBroek and Karen Kirsch, our Peramathon co-chairs, have planned a full day of fun-running and fundraising on February 20. Sponsorship forms and the T-shirt Design Contest Flyer can be found at [yourpva.org](http://yourpva.org). Many volunteers are needed to dot lap tallies affixed to students' backs, provide refreshments, and cheer on our runners and walkers. Please contact Aurelie and Karen at [Peramathon@yourpva.org](mailto:Peramathon@yourpva.org) to sign up.

Our first PVA meeting of 2015 will be held at 7:00 p.m. on Tuesday, February 3, in room 911 of the Media Center. Meetings are held the first Tuesday of each month, except in January, so mark your calendars for **March 3, April 7 (PVA's annual meeting)**, and May 5. May the soundtrack of your December and January festivities help to spread peace and goodwill throughout the season. Invite friends, family, and acquaintances—old and new—to a game, play, or concert and have fun!

See you at Pine View!

# Principal's Perspective

December 1, 2014

Dear Pine View School Parents and Community:

The past month at Pine View has been filled with many exciting events, and it is a pleasure to share some of those with you, as well as a sneak preview to the months ahead. On November 22, PVA held this **year's Pinnacle**. The amazing work devoted by Meelu Fendt, Cathi Bell, Paige Dean, Sue Keating, Mildred Pastorizo, Camille Cline, and the PVA Pinnacle Committee was absolutely breath-taking, ***and all for our students' benefit!*** Jerry Jordan and Jimmy Dean served as emcees that night, and were outstanding auctioneers! A truly successful evening of celebrating the taste, sounds, and feeling of India! **Thank you to PVA and to our incredible parents for supporting Pine View and the many educational experiences our students enjoy!**

Through the generous support of parents, the Gulf Coast Community Foundation, and others, Pine View and PVA have been able to invest in our children's education. The programs and equipment supported through events like Pinnacle include the purchase of TI-Nspire calculators, digital microscopes, scientific probe ware, computer equipment, and much, much more. I am pleased to share with parents and our community a peek into what we have planned for the spring with STEM at Pine View. Our first eight STEMSmart classrooms are in full swing and we are beginning the selection process for the next eight rooms. Our energetic faculty have rallied around the STEM initiative and expanded our vision to include an explicit integration of the arts- ***creating STEAM!*** We hope to celebrate an evening of STEAM activities, possibly to include food, a "technology" movie, and lots of activities for our students- all around the themes of Science, Technology, Engineering, ***the Arts***, and Mathematics! Stay tuned for more information and exciting updates!

In the month of November, our students also gave of themselves in donating food to the **Mayor's Feed the Hungry program at Thanksgiving!** Many of our students also donated generously in time and treasure to our school-wide community service project with Habitat for Humanity! We are working with Habitat for Humanity on a house on Jarvis Road, and truly appreciate everyone giving of themselves, and sharing their gifts, in making our community a better place. These efforts are on-going and are coordinated through Key Club. At the Holidays, it is always important for us to remember those who are less fortunate and to give back to the community we serve. The Pine View community truly does reach out and make a difference!

We appreciate all the positive support from the Pine View School parents and our community, and will continue to excel in our instructional and character development programs ***together***. We encourage every parent to get involved at Pine View School in expanding our Tradition of Excellence- ***Go, Pythons!***

# About PVA (Pine View Association)

## Pine View's Organization of Parents, Teachers, Staff and Supporters

Pine View Association (PVA) works to enhance and enrich the educational experiences of our students -- by supporting our school's academic, social, fine arts, and technology objectives. PVA coordinates volunteers, raises funds, promotes communication between Pine View and our families, provides input to the school on issues of concern to our parents, and supports gifted advocacy on a local, state and national level. This is only possible with the help and dedication of our parent and community volunteers and donors, business partners, and staff. We do this because we want our bright and talented students at Pine View, our children whose futures are so abundant with possibility, to have every opportunity they deserve, every opportunity we can provide to them.

# Plastic Cap Recycling

Pine View is continuing its efforts in helping to keep plastic out of our landfills and aquatic environments! Save a plastic disposable cap every day and help us improve our sustainability by being a good steward of our resources!

**Did you know that the caps on disposable bottles don't get recycled if they are still on the bottles?** The caps have to be taken off the bottles and thrown away separately. Here at Pine View, we have containers that are specially dedicated to the disposal and recycling of plastic bottle caps. Pine View's Zenti and Krogman families keep up the Grimes family's tradition of bringing the caps collected in these bins to one of the few recycling centers that can take in disposable bottle caps.

Most plastic caps end up in landfills or in the ocean. Disposable plastic bottle caps with a #2 or #5 (found on the inside of the cap) are very sturdy and do not break down easily.

When these caps are not properly disposed of, they can end up in the oceans, rivers, and lakes. Marine life and birds then often end up eating them by mistake and become injured or ill.

**Please help us keep plastic caps out of our landfills and oceans... It's simple!**

**Step 1** - Look for the a #2 or a #5 on the inside of the cap

**Step 2** - Rinse the cap if it is dirty (the recycling center only accepts clean caps)

**Step 3** - Place the cap in one of the tall blue cap recycling bins... You are done!

## Locations of the tall blue recycling bins:

- Main office
- Science rooms (Mr. Yotsuda, Mrs. Torres, Mrs. Templeton)
- Mrs. Melton, Mrs. Flahavan, Mrs. Hollar, and some other teachers also have containers in their rooms.
- Please feel free to ask one of the science teachers mentioned above for a container for your classroom!

**We welcome any types of caps**  
(ex. Bottled-water, shampoo, milk, flip-tops – like mustard or ketchup caps –, laundry detergent measuring cups, etc.).

P.S. – Some students are going the extra degree and don't even use disposable water bottles anymore; they bring reusable bottles and fill them up on campus using our new

**Hydration Station** in the Student Union.

**Bring your own bottle and come try it out!**

Thank you for helping S@PV and keeping caps out of our water & out of the landfills

# Art News from Retsy Lauer

In all the helter-skelter of the approaching holiday season and the summation of the first semester, the **members of Pine View's Art program** have been- and plan to be- involved in a variety of exciting educational events:

Between our middle and high school **students, Pine View's submissions** nearly swept the board of winners at the Venice Art Festival on October 28<sup>th</sup>, and **some students' other works will be on display** in the Sarasota Bradenton Airport Art Show. Likewise, recent excitement amidst National Art Honor Society members was ignited by Pine View's **presence at the Creative Industries Studio workshop** in Washington DC from November 6<sup>th</sup> through November 8<sup>th</sup>. Four Pine View students travelled to DC for instructional sessions by several notable artists (including Phil Hanson and Maria Fabrizio), workshops by Liquitex, and a visit to both the National Building Museum and the National Gallery of Art. Later in the month, we look forward to submissions to the Florida State Fair and Embracing our Differences- at which Pine View has an outstanding tradition, something we hope to continue in this upcoming year.

Last year Sarasota County's annual arts fundraising event Evening of Excellence raised over 280,000 dollars and featured pieces from students all over Sarasota County. Pine View will participate again this year- submitting artwork and artist statements to both the event and Ringling College of Art and Design's accompanying scholarship program. This, the event's 20<sup>th</sup> anniversary, we hope to contribute with our very own tradition of excellence.

If you desire to support Pine View School and our art program, several creations of Pine View art students will be made available the 22<sup>nd</sup> of November at the **PVA's featured Pinnacle** event. For other methods of involvement or important activities, see below:

# Literacy Tips by Pine View Literacy Team

## Tips for Engaging Reluctant Readers

Some children simply do not gravitate to books and reading. Instead of having these children miss out on the pleasures of a good book, try some of these sneaky little tricks to engage them in the joys of reading.

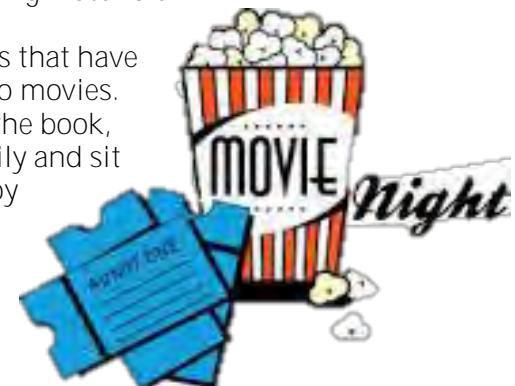

1. Experiment with a variety of formats and genres. Determine if your child would rather read material online or in a paper form. Some children prefer reading eBooks. Some helpful sites are Amazon.com which lists **current bestselling children's books**. Marketing Club keeps a daily list of free eBooks currently being offered and Archive.org contains a variety of books available online. Explore a variety of genres such as comic books, joke books, graphic novels, and even some non-fiction books on a favorite topic.
2. You can help your child understand the importance of reading by engaging in reading activities other than book reading. Some examples are reading a recipe while cooking, writing letters or invitations, reading about your next vacation spot, or reading information about an upcoming community event. This helps your child realize that reading is everywhere.
3. Find reading material that will interest your child. Children love a story that will transport them to a world vastly different than their own.

A great website to try is [Guysread.com](http://Guysread.com). Even though this site was created to inspire boys to read more, the suggestions are excellent for both boys and girls.

4. Take advantage of community activities that bring reading to life. The public libraries and local bookstores often have story times and puppet shows that retell a favorite story. Also, take advantage of the community plays that perform some classic literature (think Shakespeare). It is important for child to realize that literature does not only come in a book form.
5. Encourage your child to share books with a friend. They might have the same interests and it is always fun to share something you have read and engage in conversation about a book. It is also an inexpensive way to expose your child to a variety of reading materials.
6. Read books that have been made into movies. After reading the book, the entire family and sit down and enjoy the movie. Some of the most popular screen adaptations have been *The Hobbit*, *The Lorax*, *Alice in Wonderland*, *Little Women*, *Harry Potter*, *Diary of a Wimpy Kid*, *Fantastic Mr. Fox*, *Cloudy With A Chance Of Meatballs*, *Narnia*, *Coraline*, and *James and the Giant Peach*.

# World Languages

On Friday, November 14, a docent from the Dali Museum gave a presentation to our Spanish language students. This is an opportunity for all Spanish language acquisition students to visit the museum, and learn more about Salvador Dali and his works. ***La Sociedad Honoraria Hispánica***, our own Spanish Honor Society, is coordinating the activity.

French students attended a concert by contemporary French singer-songwriter Eric Vincent at Pine View Wednesday, Nov 12 from 10:00-11:00 am. His songs are a beautiful mixture of folk, jazz, rock and ethnic rhythms dealing with universal themes and offering audiences direct contact with contemporary French poetry and songs.

## Teach Flu a Lesson

Every year, thousands of children miss valuable school days because of the influenza virus. Offering flu vaccinations in the school setting has been proven to be effective in preventing disease and reducing absenteeism. Please help me to stop the spread of the flue in our schools and in your homes by allowing your child to get properly vaccinated against influenza **and become a “Health Hero”** in Sarasota County!

Healthy schools, in cooperation with the Florida Department of Health in Sarasota County and Sarasota County Public Schools, is excited to kick off the **“Teach Flu A Lesson” program in** Sarasota County this coming School year.

My company, Healthy Schools, will be providing flu vaccinations December 10 and 11 at Pine View. The process is very simple. All you have to do is fill out and sign the consent form that has been brought home from school. You can also

access a consent form from the Healthy Schools website: [www.Healthyschoolsllc.com](http://www.Healthyschoolsllc.com)

Once you have filled out and signed the consent form, please have your student return it to his or her teacher. Once your student is vaccinated he/she will receive written notice to bring home for your records. Healthy Schools also enters all vaccination information into the statewide database Florida SHOTS. There is no out-of-pocket expense for you, and your student will be better protected against the flu this flu season!

If you have any questions, you can reach Healthy Schools at 1-800-566-0596 or by email at [info@healthyschoolsllc.com](mailto:info@healthyschoolsllc.com).

Thanks,

*Tony Boselli*

## Sunshine State Young Readers

We are delighted to report that this year's SSYRA program is going like gangbusters!! Last year we had a total of only 19 students who read 3 or more of the collection. We revamped the program this year and are thrilled with the results. Students get a python or butterfly die cut after reading just one book. They attach a sparkly jewel for each book completed. They are excited to post their **treasure on our "pirate island" bulletin board** for all to see. The competition is fierce to collect the most booty. Students also receive a charm & chain that corresponds with the **book's subject**. They attach the chain to their backpacks or wear it on their wrist. Students who read 3 or more books are invited to attend the year end pizza party, and vote for their favorite SSYRA story. Those who complete the collection get a special prize and an award. The word has spread and we already have 50 participants with 22 who have read at least 3 of the books in just the first quarter!!!

## Used Book Donations Wanted

Did you know that the Media Center is happy to take any book donations you may have?

We are excited to accept any gently used books that are still in good condition. We act as the **"clearing house"**. We look the books over and add what is appropriate to our collection. The rest are distributed to teachers for use in their classrooms as well as anywhere else they're needed and will be loved.

One of the most popular places for donated books to end up is our **Birthday Book Shelves**. During the week of a student's birthday, they stop by the media center, peruse the two blue book carts full of book donations. The student is able to pick out their very own Birthday Book that they can take home and keep forever. ☺

## Student Art Display

Madison Miller, Grade 10, is a talented artist. She draws a variety of imaginative sketches with a myriad of mediums. Animals, people, fairies and inspirational words. Ink, chalk, pencils, watercolor. Each piece different and more beautiful than the last.

Madison is very proud of her work and has adjusted her display several times this month. Adding and subtracting pieces weekly.

We would love to have a new student featured every month during the school year.

If you know of a student who does artwork outside of the classroom and might be interested in displaying artwork here, please forward us their name or ask them to stop by and see us. The case is locked so their treasures will be safe.

## Holiday Shopping = Automatic Donations

While doing your holiday shopping through Amazon this season, you can automatically and painlessly make donations to our media center.

Please visit the Media Center website through the **Pine View Home Page**. There's a link clearly posted where you can enter the Amazon website. With any purchases you make, a portion of the moneys will go to support our Media Center.

Couldn't be easier! Thank you

# 5<sup>th</sup> Grade Dance

## Dear Families of the Pine View's Fifth grade class of 2014-2015:

As many of you may have heard, the entire Pine View fifth grade will be involved in a Ballroom Dance unit in their Physical Education class. We had initially scheduled the dance for Thursday, November 20<sup>th</sup>, but have rescheduled the dance for Thursday night, February 12th in the Pine View gym from 6:30 to 7:45 pm (please arrive by 6:15 pm so we can get partners organized). Parents, friends, and family are invited to come and watch our students show off their dance moves!

Students who plan to attend will be asked to dress formally—boys in a suit and tie, girls in dresses or skirts. Please do not feel that you have to go out and

buy new clothing for your child; just have him or her dress in the nicest clothes you already have in the closet.

In years past, we have asked students to bring in a food or drink item to share with the group. Each class will be asked to be responsible for the following:

- **Mr. Ross and Mrs. Vest's classes**—Drinks (water, juice)
- **Mrs. Gould-Olson and Mrs. Nadeau's classes**—Salty snacks (pretzels, chips)
- **Mrs. Tucker and Mrs. Chapman's classes**—Healthy snacks (fruit, vegetables, dips)
- **Ms. Barber and Mrs. Drown's classes**—Sweet snacks (cookies, brownies)
- **Mrs. Spies's class**—Paper plates, napkins, and cups.

When asked if the Celebration Dance is mandatory, our response is: 5<sup>th</sup> grade students are expected to be here. If it makes parents lives easier, students may remain at Pine View right after school and stay here so parents do not have to make two trips to school.

Please let Coach Ballard know if you plan on having your child stay, and make sure that you are here to take your child home by 7:15.

Remember your cameras, as this will be a night you will want to remember forever!

Sincerely,  
Coach Ballard ([liz\\_ballard@sarasota.k12.fl.us](mailto:liz_ballard@sarasota.k12.fl.us))

# THANK YOU PINE VIEW FAMILY!

Dear Pine View Students, Parents, Teachers and Staff,

Thank you all for your generous donations and outpouring of love and support for PV senior, Jamie Myers. Within twelve hours the goal was met! And the total kept going up and up! For Jamie's birthday on Nov 22, we were able to give Jamie, Jayne, Chris and Heather a trip to Disney for a two night stay at a Disney resort, three day Disney passes for each of them, as well as their incidentals and all sorts of other Disney goodies!

For those who may not have heard, Jamie was diagnosed with a tumor on his brain stem, *Glioblastoma - stage 4*, in May. He has endured surgery and treatments. His parents, Heather and Chris and his sister, Jayne, have been right there with loving support, going through this with him. Jamie is a sweet, fun, young man with incredible character. He is always thinking of others, with a smile and positive attitude. Jamie is a wonderful son, brother, friend and student at Pine View School. He and his family have earned some treasured time together and what better place for family fun than Walt Disney World?!! Thank you all for making it possible!

If you were unable to donate to the PVA Jamie Birthday Fund and would like to donate to a Jamie Myers fund, you may do so at:  
<http://www.gofundme.com/9c0czc>

Sincerely,

Cathi Bell & Ann Kolesar

## Happy Birthday Jamie!

## **Mr. G's Podium:**

Can you believe it? December is already here and we are preparing for our second concert of the year on Thursday, December 4<sup>th</sup> at 7:00pm in the Pine View Auditorium. As

**Floridians, we don't get to experience** the artic temperatures that effect the rest of the country. Maybe we can conjure some blowing winds and, if we have time, build a snowman.

Immediately after the concert, The Purple Bell Ice Cream Truck will freeze your taste buds with an assortment of frozen treats.

On Tuesday, December 9<sup>th</sup>, join us at Sweet Frog Frozen Yogurt for our second PV Choirs Spirit Night, with 20% of that night's revenue going to the choir.

When we return from Winter Break, The Radcliffe Pitches from Harvard University will perform for our high school and middle school students on January 14, 2015 at 1:00pm in the Pine View Auditorium. The next day, 10 choir students will represent Pine View at the Florida Vocal Association All State performances from January 15-17, 2015. Have a wonderful holiday season and a happy new year.

# Winner of Two Essay Contests

Congratulations to Sixth grader Hayden Whittaker who was recently selected as one of the ten extremely talented Runners UP Winners of Scholastic Reading Clubs' Hunger Games: Mockingjay Contest.

With thousands of entries from across the country, the judges had a difficult task of selecting eleven essays to be recognized. Students were asked to write in two pages about a Problem in the world they would fix if they had special powers. As a runner up, Hayden received the complete Hunger Games library.

Not only did Hayden distinguish himself in this contest, but he also won the Scholastic Star Reader essay contest. He will appear in the grade-specific Scholastic Reading Club Flyer alongside his Star Reader review of a featured Star Reader Book which Scholastic will provide. For his efforts, Hayden will receive a prize package of ten books specially chosen by the Scholastic editorial staff.

**Look for Hayden's handsome face and book review in 2015 in your Scholastic Book Club flyers! Way to Write Hayden!**

Pine View Elementary Yearbook  
2<sup>nd</sup> - 5<sup>th</sup> Grades

Place your order now for the 2014-2015 elementary yearbook! The yearbook will have a hard-cover binding and be printed in full color. A special price of \$35.00 will be offered through Friday, November 28<sup>th</sup>. After this date the price will be \$40.00 per book.

Yearbooks will be delivered sometime in May. ORDER NOW! We have sold out of yearbooks in years past. No orders will be accepted after February 2, 2015.

If you have a picture you would like to share, please email it or copy it to a CD. You may deliver the pictures or CDs to Paige Chapman or Vicky Gallo at Pine View. Please be sure to identify the student(s) in the picture, his/her homeroom teacher, and the school event at which the picture was taken. Please do not send cell phone pictures, as their resolution is grainy, and their quality diminishes when we make changes to them.

If you are ordering more than one yearbook, please fill out multiple yearbook order forms. The yearbooks are distributed to homerooms and this will help us avoid mistakes.

Thank you,  
Vicky Gallo and Paige Chapman
