## 1.19 Acre Bayfront Home Site

**Every Day a June Day, Full of Sunshine  
Where Winter Exists In Memory Only**

Spanish Point Shores is a unique opportunity in a historically significant neighborhood rich in character. The properties along the bay front on Palmetto Avenue were developed to maintain this areas unique feel of the old Florida aesthetic with enormous canopy Oak trees beautiful architecture and rolling lawns, it is an aesthetic that is truly one of a kind for Sarasota bay front properties.

This, the last of the properties developed as part of the Spanish Point shores enclave has a special set of features that make it particularly interesting. The neighborhood begins to take on its charm immediately after leaving Tamiami Trail and pulling on to Webb Street, which is named after John Webb the man who gave Osprey its name and established a winter resort for northerners on Little Sarasota Bay in the late 1800's. As you drive down Webb Street this area takes on a very special feel with large protected canopy oak trees covering the roads giving this quiet neighborhood a nice old Florida feel. At the northern part of the neighborhood a short walk from the property is the Spanish Point Historical Park.

This large bay front tract sits at 1.19 acres, which slopes gently from Palmetto Avenue down to the protected waters of Little Sarasota Bay. Of note is a large basin with shelter and adjacent dock, something that is difficult if not impossible to build these days, a relic from a by gone time for the future owners enjoyment.

## Dear Pine View families,

I hope your summer is fun, relaxing, and enriching!

As the new Pine View Association president, I want to thank President Emeritus Lisa Daily for her excellent leadership over the past few years. Lisa has ushered in a number of technological and educational initiatives under her administration that we will share in depth in the September issue. It has been an honor to serve Pine View with her. I am so grateful to her for offering to serve as VP during this time of transition. It's going to be a grand year.

With school starting in just a few weeks, the PVA wants you to be ready. That's why this issue is loaded with everything you need to know.

Inside you'll find details on PVA's annual school supply sale on Locker Day, Tuesday, August 5, and Meet the Teacher Day, Friday, August 15. If you can spare a little time on either day, please send a quick note to Renee Ryckman at [reneey.ryckman@yahoo.com](mailto:reneey.ryckman@yahoo.com), who is coordinating our stellar volunteers. Thanks also to our Supply Sale Chairs Ann Kolesar and Arysol Niffenegger!

If your family or business is interested in sponsorship opportunities at Pine View, visit our updated sponsorship menu inside or at [www.yourpva.org](http://www.yourpva.org), your one-stop spot for all things engaging, advertising, volunteering, donating, and connecting. Plus, both Pinnacle and the PV Fair need your help. Chairs' contact information can be found inside and I know they are excited to get to know you. Please get involved any way you can. It's fun and rewarding!

Last, our first PVA meeting of the school year will be held at 7:00 p.m. on Tuesday, September 2 (the day after Labor Day) in room 911 of the Media Center. Meetings are held the first Tuesday of each month and dates for all the meetings can be found inside. Please be sure to join us!

Don't forget to visit the PVA website as a resource for all PVA information: [www.yourpva.org](http://www.yourpva.org).

See you at Pine View!

# Principal's Perspective

July 22, 2014

Dear Pine View School Parents:

We hope that everyone has enjoyed a highly productive and relaxing summer- ready, rejuvenated, and excited to begin another amazing year at Pine View! This has been a busy summer at Pine View, and we have many projects underway which we believe will help to make this an outstanding year for our students- another year *continuing our tradition of excellence!*

Pine View School is fortunate to have such wonderful students, parents, staff, and faculty members! Our strength as a school and community lies in our shared vision for the areas in which we strive to ensure success for our students- *academically, socially, and developmentally*. I continue to be amazed at the hard work and dedication shown by our community toward Pine View School's mission- from the students, to the teachers, to the parent volunteers on campus and in PVA who make our school so successful! We are committed to supporting all students in a rigorous academic setting while developing personal and community responsibility.

We want to provide some facilities updates as we get the year started that will be of great excitement to parents, students, and our community. This summer, we are very pleased to announce that the eight classrooms re-designed, and renovated for the TechActive Classrooms of Tomorrow are almost ready! The flooring has been laid and the final touches are being made to these amazing rooms where our middle school students will have access in Math and Science to experience a highly collaborative and inquiry-focused approach to teaching. Professional learning and preparation for the participating teachers has been taking place and will continue, and we are excited about these new learning spaces filled with 27" interactive touchscreen monitors, ActiveBoards, Vernier probe ware for data collection and experimentation, research-quality digital microscopes, and sophisticated Texas Instruments TI-Nspire data analysis calculator sets. This is a collaborative partnership between the district, PVA, and the Gulf Coast Community Foundation. We express our sincere appreciation to our School Board, Superintendent Lori White, Deputy Superintendent Scott Lempe, Executive Director of High Schools, Steve Cantees, our community, PVA, the Gulf Coast Community Foundation and generous donors for continuing to support Pine View and our vital mission!

We are also preparing for a large capital heating ventilation and air conditioning (HVAC) renovation project which will encompass several years at Pine View. The first stage, planning and preparation, involves bringing several additional mobile learning cottages onto campus. As the new chiller yard and plumbing is constructed, and HVAC retrofitting takes place, we will continue to update parents and students on progress. While a short-term possible inconvenience, the long-term investment by our community and School Board in capital infrastructure will pay long-term dividends.

There will be several new faces on campus as students and teachers return due to retirements, etc. and we look forward to introducing everyone to our new Python family members! Please join me in welcoming:

Mary Jane Bruno, Cafeteria Manager  
Seth Gardner, Chorus Director  
Kim Ellis, ESE Liaison  
Paula Lindsey, Guidance Counselor  
Joan Morrison, Monitorial Aide

Janel Dorn, Assistant Principal  
Kelley Krejnik, Social Studies  
Caroline Gannon, Social Studies  
William Marino, PE Coach  
Athena Cook, ESE Aide

We appreciate all the positive support from the Pine View School parents and our community, and look forward to another great year! *Go, Pythons!*

# Pine View Association (PVA)

## Is Pine View's Organization of Parents, Teachers, Staff and Supporters

Pine View Association (PVA) works to enhance and enrich the educational experiences of our students -- by supporting our school's academic, social, fine arts, and technology objectives. PVA coordinates volunteers, raises funds, promotes communication between Pine View and our families, provides input to the school on issues of concern to our parents, and supports gifted advocacy on a local, state and national level. This is only possible with the help and dedication of our parent and community volunteers and donors, business partners, and staff. We do this because we want our bright and talented students at Pine View, our children whose futures are so abundant with possibility, to have every opportunity they deserve, every opportunity we can provide to them.

# PVA's School Supply Sale

August 5!

Don't run all over town trying to track down all your school supplies.

**One Stop Shopping!**

PVA hosts a School Supply Sale before school starts.

August 5: Locker Day: 8-10 am, 5-6pm

We have everything on your teacher's list!

At 211 degrees, water is hot – at 212 degrees, it boils, and with boiling water, comes steam, and with steam, you can power a train.

One degree. Applying one extra degree of temperature to water means the difference between something that's simply very hot and something that generates enough force to power a machine – a beautifully uncomplicated metaphor that ideally should feed everything we do.

Thomas Edison said... "Many of life's failures are men who did not realize how close they were to success when they give up."

Vince Lombardi tightened it up with... "Inches make the champion."

212 distills it even further. According to Sam Parker, author of "212, The Extra Degree", the purpose of the 212 message is to create a level of awareness and accountability that inspires and challenges all of us to try harder, give more and, ultimately, enjoy more.

## WALL OF FAME - May

**GRADE 2:** **Kathleen Wu** is the most accomplished student in Accelerated Reader in second grade having currently earned 100 points per quarter. Kathleen's picture will soon be on the AR Reading Wall in the Media Center. She is an all-around excellent student and goes above and beyond in all that she does.

**GRADE 3:** **Camille Johnson** has taken a special interest in the plants by our classroom. Before school, during lunch or when she finishes her classwork, Camille checks the plants and waters them when needed. When the room needs some extra cleaning or picking up, Camille is sure to volunteer. She is genuinely happy to be of assistance. Camille is always looking for ways to help another person.

**GRADE 4:** **Sarah Catalano** is a well deserving candidate for this month's 212 award. Compassionate, dedicated, creative and humorous are just a few adjectives that describe this amazing 4th grader. Not only has she earned almost all A's this school year, but Sarah is also an active Girl Scout, volunteers regularly at her church, plays the piano and attends circus classes on Saturdays. Sarah's piano composition, "Cherry Blossoms," won first place in the state and in Girl Scouts, she won a badge-designing contest. Sarah Catalano goes the extra degree every day in her academics and community involvement.

**GRADE 5:** **Kai Cattell** is a young man who is always kind, considerate and helpful to all. He goes the extra degree in his work and is always willing to listen to constructive criticism to become a better student. Kai has a positive attitude, is thoughtful in his actions concerning himself and others, and always makes the right choice.

**GRADE 6:** **Tessa Couturier** is highly motivated to do her best, and her best is always remarkable. Recently, she utilized her creativity to delicately weave a serious topic into a story of significance through her writing in her LA class. Her creative expression can also be seen outside the classroom as she consistently attends G3 meetings and shared her expertise illustrated in a beautiful cherry blossom motif for the painting of one of the rain barrels on Pine View Campus. Congratulations Tessa Couturier on receiving the final 212 of the year!

**GRADE 7:** **Adrianna Troche** is an active participant in the middle school Peace Action Club and the middle school SWAT club as well as being on a competitive soccer team. She had an impact on our elementary students by reading and processing positive message books to them at lunch. Adrianna heads up the Students Working Against Tobacco group and recently picked up cigarette butts on the beach in an effort to clean up our community as well as bring awareness of the harmful effects of smoking. Congratulations Adrianna for going 212!

**GRADE 8:** **Emily Zezas** consistently excels in whatever she does. Emily not only complete all assignments, but adds additional information beyond the requirements. Emily is a well-rounded student who enjoys helping others. She often offers to help her peers by explaining difficult concepts. In science class Emily participates in class discussions, often bringing in personal experiences that help augment the discussions.

**GRADE 9:** **Matthew Blow and Maurice Victor** are two birds of a feather. Both Matthew and Maurice are friendly to all and treat both peers and teachers with respect and kindness. We can often find them going out of their way to help others in need. Both Matthew and Maurice exemplify the characteristics we expect from our Pine View students who constantly go the extra degree to do their best and to share their gifts.

**GRADE 10:** **Kylee Chagnon** is a role model for others. Kylee plays on the girls varsity soccer team at Venice High School as well as travels around the country playing for a competitive soccer league. Last year, she placed first in the nation for the National French Exam. She is very quiet, humble and dedicated hard worker. Kylee is an all-around perfect representative of 212.

**GRADE 11:** **Samantha Smith** and her sister volunteered to participate in the National History Day competition. She researched, planned, wrote and produced a documentary film on the Jamaican H-2 workers in Florida. Samantha conducted extensive research, including interviews, traveling to dig for sources and she even visited the towns where many of these immigrants lived and worked. Her efforts were rewarded with a First Place finish at the Sarasota County History Fair and the opportunity to compete at the State competition. In the midst of this, Samantha was intricately involved with the History Club Mini-Simulation on the Roaring Twenties. She wrote and co-produced parts of the culture presentation and assisted with our fund-raising efforts. Samantha truly exhibits the 212 spirit of going the extra degree!

**GRADE 12:** **Yvonne Shih** is the treasurer of Save Darfur, a member of Diversity Council, Vice President of the Chinese Club, and a member of the Ping Pong Club. She is also the manager of the Pine View String Quartet and second violinist. Meanwhile she maintains the highest academic standards and her smile brightens the Pine View campus.

**STAFF:** **Maggie Adler** is our Registrar and has been instrumental with facilitating our paper based FCAT testing. She is thoughtful, thorough, extremely competent, personable and has a positive spirit. Additionally, she is flexible, a problem-solver, and fun to work with! Congratulations Maggie Adler for making the 212 wall of fame!

Through Forums with Dr. Covert and grade level Guidance Counselors, students are being introduced to the concept of "212" and "going the extra degree".

Opportunities to compare and contrast examples of going the extra degree in various settings are provided. Grade level recognition of students who have demonstrated that extra degree of effort through moral character or performance character are being showcased on the Pine View "Wall of Fame" proudly displayed in the Student Union. The 212 "Wall of Fame" recognizes students who demonstrate going the extra degree.

Nominations are received from grade level and/or classroom teachers. This recognition may highlight Moral Character (Citizenship, Gratitude, Kindness, Responsibility, Honesty, Respect, Good Sportsmanship) or Performance Character (Personal Improvement, Risk-taking, Diligence, Independent Learning or Enthusiasm). Students may be recognized for a specific action or for demonstrating the 212 "Everyday – Every way" spirit. As Dr. Covert points out when he addresses students, "the true measure of success is not to outdo others but rather to outdo ourselves". The 212 message certainly reinforces that important notion for Pine View students.

# Pine View Sixth-Graders Book Release Party

**PHOTO CAPTION:** Sixth-grade students at Pine View School talk about the short stories they have written. Pictured from left are Dante Aletto, Tori Belilovskiy, Ella Peavley, Daniel Feraco (seated), Hal Bloom, Dara Dombrowski, Katie Dean and Gigi Langer.

Ninety-two sixth-grade students who each wrote a short story celebrated their accomplishment with a book release party at Pine View School from noon-1:30 p.m., Monday, June 2, the last day of the 2014-15 academic year for the Sarasota County Schools.

The stories are a culmination of the students' studies this school year. Plots range from government chaos to a murder mystery set on an abandoned ship. Students worked with a professional author, editor and photographer to complete their work. The class also established a Student Publishing section (a sort of "local authors" shelf) in the school's media center.

During the event each author received a bound copy of his or her story, as well as a second copy to autograph and deliver to the school's media center. The students' copies of the books will include "praise pages" for fellow students and others to express their feelings about the prose.

"Parents, administrators, teachers and students are excited about this awesome experience for our students, and they love the idea of sharing the stories with future Pine View students for years to come," said English teacher Desiree Schell.

# 2014/15 PVA All-In-One Form

You must complete and sign this form **every year** either online at [www.yourPVA.org/keytothePVuniverse](http://www.yourPVA.org/keytothePVuniverse) OR by completing this paper form to 1) be included in the directory, 2) receive Pine Views, and 3) join PVA, Pine View's parent association. The good news? Through the marvels of modern technology, we have gotten this down to just one piece of paper. Yay! (We're still working on the robot to fill it out for you.) \*\*Please complete the online form or return the paper form to the front office no later than August 31 or you'll miss out on practically everything.

# Back to School Information

## CONDUCT

As a student of Pine View we hope you will be proud of your school and act appropriately while on campus, as well as during school-sponsored trips and events.

In accordance to District policy, Pine View utilizes a progressive discipline philosophy. Our school-wide **Progressive Discipline Plan** establishes a gradient of defined consequences for inappropriate behavior. In addition, each teacher has communicated a set of behavioral expectations for his/her class that will ensure success.

Teachers, staff members and other students are to be treated with respect. Infringing on the rights of others will not be tolerated and will result in parent conference, detention, and/or suspension.

**Outward displays of affection** other than hand holding are NOT appropriate on campus. Each student should assume the responsibility of being an excellent role model for his/her peers.

**Sexual harassment** in any form is forbidden. If you think you are a victim of sexual harassment, talk to an adult at school or home immediately.

**Bullying, including cyberbullying** is against the law and will not be tolerated. Behaviors falling under this category include but are not limited to, touching without permission, threatening, name-calling, teasing, gossip or rumors, isolating or ostracizing, peer pressure, or taking or harming another's property, or any other inappropriate behavior involving the use of technology. The

students at Pine View believe that everybody should enjoy our school equally, and feel safe, secure and accepted regardless of color, race, gender, popularity, athletic ability, intelligence, religion, parents' income, and nationality. Bullying causes pain and stress to victims and is never justified or excusable as "kids being kids," "just teasing" or any other rationalization. The victim is never responsible for being a target of bullying. Students who feel they are the victims of such actions should notify a staff member.

Respect, good manners and appropriate behavior is expected of every student in every classroom, on every bus and at every school-sponsored event.

The Pine View campus can be a beautiful area if kept free of **litter**. Please throw all of your trash into the trash cans located throughout the campus. Students are responsible for picking up their own trash especially after lunch. It is not the job of the custodian to pick up after you. Blue recycling cans are located on campus for bottles and cans.

**Vandalism** is against the law. Students caught defacing school property will be subject to suspension and arrest. Examples of vandalism can include damaging snack machines, writing or destroying posted printed materials, throwing food, defacing desks, books, lockers, tables, etc.

Each student will receive a copy of our school's **Technology Policy**, which explains the expectations regarding the use of technology on campus.

## **THREATS/DEPICTION OF EXCESSIVE VIOLENCE**

Any student who verbally, in writing, by drawing, or by electronic transmission, conveys, symbolizes, and/or depicts an act of violence on a student or staff member may be suspended. Such actions may result in a recommendation for expulsion.

## **STUDENT DRESS**

All students will comply with county policies regarding appropriate dress. Students will dress in good taste and in a modest manner. Short shirts, low cut tops, racerback tank-tops, bare midriffs, "low rise pants", pajamas, off-the-shoulder tops, tops with spaghetti straps, extremely short mini-skirts or shorts, see through garments or shirts with inappropriate messages are not allowed. Clothing must be worn in such a manner as to cover all undergarments and not be revealing or provocative. **When your hand is by your side, shorts must reach the tip of the thumb; skirts must reach the tip of the middle finger.** Footwear must be worn at all times.

Individual departments may set more stringent dress guidelines for safety reasons. Students whose dress is not felt to be in keeping with above guidelines will be sent to the office. All decisions regarding the appropriateness of student dress will be made by the principal or his designee. Any clothing that is disruptive to the educational setting of the school will be deemed inappropriate. Students may be asked to change clothes, parents contacted to bring a change of clothing, or other disciplinary action may be taken for students who are in violation of the school's dress code policy.

## **CELLULAR PHONES**

Students may use cellular phones as a teaching/learning/educational tool. Students may not use cellular phones and/or electronic devices for the purpose of communication including Facebook, Instagram, Twitter, etc., during the hours of 7:00 a.m. until 3:52 p.m. Phones being used for the purpose of communication may be confiscated. Confiscated items will be returned to a student or parent by an administrator.

Parents or guardians needing to contact their child in emergencies during the school day should call the Front Office. In the event of any emergency affecting the school, Administration will make an announcement that students may use cellular phones.

## **ATTENDANCE**

Pine View is proud to claim an extremely high rate of student attendance. An EXCUSED ABSENCE is considered:

1. A documented illness of a student by parent/guardian/doctor.
2. A documented illness or death in the immediate family of a student.
3. The duration of a religious holiday.
4. A performance, athletic contest, field trip, or similar activity.
5. Any other circumstances approved appropriate by the administration.

An excuse note must be turned in to the office within **three school days** of your absence. If a note is not submitted, your absence will be considered unexcused.

**Student grades will be impacted for all work missed due to an unexcused absence or truancy.**

Any student with an excessive number of excused absences (9 per semester or 18 per year) will receive a letter stating that a

doctor's note will be required for any future absences to be excused.

Any student with an excessive number of absences (15 unexcused in 90 calendar days) is considered to be a habitual truant. If unexcused absences continue, truancy procedures will be initiated.

High School students' attendance records are automatically forwarded to the Department of Highway Safety and Motor Vehicle and driving privileges (license/permit) may be revoked.

Parents are asked to call school before school starts on every day your child will be absent. Any student who plans to withdraw during the school year must notify the Registrar at least one week prior to your last day of attendance to ensure all exiting paper work has been completed. If a pattern of non-attendance develops, parents will be asked to conference with school staff and participate in efforts to remediate the situation.

## STUDY HALL

The Pine View High School Course Selection form explains that students who choose to begin their day at 1<sup>st</sup> period (7:20 a.m.) are expected to leave campus when their day is over. If a student's day ends after 7<sup>th</sup> period (1:58 p.m.) or after 8<sup>th</sup> period (2:55 p.m.), they are dismissed from campus at that time. Students who remain on campus after the end of their day will attend a supervised study hall.

One of the most rewarding aspects of Pine View School is the level of academic commitment and community service involvement among our high school students. It is not our intent to diminish this important part of our school's culture. Students who are actively participating in a sponsored activity or organization are

welcome to remain on campus while the activity is in session.

## TARDIES

An unexcused tardy occurs when a student is not in his/her class seat when instructional time begins. The following unexcused tardy policy applies to an individual class period within each quarter time frame.

- First Offense - teacher informs student that they are late.
- Second Offense – teacher communicates with parent and writes a referral. An administrator warns the student that another referral will result in detention and/or Saturday School. Parents, through the referral process, are notified.
- Third Offense - teacher issues a second referral and an administrator assigns the student a detention. Parents, through the referral process, are notified.

A student who is late to class from another class after the first period must obtain an excuse from his/her previous instructor if the tardiness is to be excused. Students accumulating 9 or more excused tardies per semester or 18 for the year will be required to bring a doctor's note. Future absences without a doctor's note will be considered unexcused and the aforementioned policy for unexcused absence applies.

## EXCESSIVE EXCUSED TARDIES TO SCHOOL

Students accumulating 9 or more excused tardies per semester or 18 for the year will be required to bring a doctor's note. Future tardies without a doctor's note will be considered unexcused and the aforementioned policy for unexcused absences applies.

## **SELECTIVE CUTTING OF CLASS**

When students choose to selectively miss a class without school approval, such action will result in the following:

- First Offense - teacher informs student that they have missed their class. Student receives a U and their grade will be impacted for all work missed. A referral is sent to the office. An administrator warns the student and a referral is sent home.
- Second Offense - Referral is sent to office. Parents, through the referral process, are notified and Saturday School is assigned. Student receives a U and their grade will be impacted for all work missed.
- Third Offense - The student may be suspended for up to 10 days or assigned additional Saturday Schools for willful disobedience.

Students who leave school grounds without proper approval during their school day will also be subject to Saturday School, without a previous offense. High School students' attendance records are automatically forwarded to the Department of Highway Safety and Motor Vehicle and driving privileges (license/permit) may be revoked.

In addition, the attendance office and administration will be closely monitoring attendance for unexcused absences. When a student reaches 5 or more (full day or single class) a referral will be generated. Administration reserves the right to withhold participation in extra school-related functions (i.e., field trips, dances) based upon attendance and academic performances. *Furthermore, those students who have excessive tardies (18 or more) may not be eligible for a first period class the following year.*

## **PASSPORTS**

**It is not recommended that students miss any class time.** The instructional pace moves quickly and missing school—even for a day—presents a burden for both student and staff.

If you must miss school for a full day, you must obtain a PASSPORT. These guidelines will be strictly enforced.

PASSPORTS should be obtained from the front office at **least 3 days** prior to a full day of absence. A note from the parent must be presented stating the following:

- student name and grade
- purpose
- dates of anticipated absence
- parent signature

The note and PASSPORT form are then presented to each teacher to communicate work they are responsible for completing. When completed by teachers, parents must review the PASSPORT and return to the office, **before the absence**, for administrative approval. Students are responsible for completing assignments and scheduling make-up tests. This is not the teacher's responsibility. Students will be given 1 day to make-up work for each day absent.

**PASSPORTS are not required for school sanctioned trips. Passports will not be granted during FCAT's, End-of-Course Exams, and/or any other standardized testing dates.**

## **OFFICE SIGN-OUT PASS**

**All students leaving campus MUST get signed out.** They are not permitted to go to parent pick-up. If a student needs

to leave school during a class, a parent note should be sent with the student beforehand so an **office pass** can be obtained by the student from the office. You must bring a note to the office before the first period of the day the sign out is effective. The note should include the following:

1. Legal name and grade.
2. Destination (name of doctor, dentist, etc. and phone number if local).
3. The date and time of appointment.
4. The requested time of dismissal from Pine View.
5. The approximate time of return to campus.
6. The telephone number of where parent/guardian may be reached during the school day for verification of appointment.
7. Parent signature.

There will be random verification of appointments for your protection. Students can then show the pass to his/her teacher and leave class at the pre-approved time. This should dramatically decrease class interruptions.

**Students who have a driver's license are permitted to sign themselves out with a parental note.**

## MAKING UP WORK AFTER ABSENCES

There is a dual responsibility for the completion of work by students who have an **excused absence**: **students** are responsible for initiating the process of collecting and completing work missed when absent. Due to the complexity of classroom instruction it is not possible for teachers to replicate what was missed; however, they will make an effort to explain major concepts and skills.

For homework and tests, students will be given one day to make up missed work for each day they are absent. The Guidance office will assist with the compilation of homework assignments after a student has been absent for at least three consecutive days.

Any student who is absent on the due date for a long-term project will be responsible for submitting the project on the **first** day he/she returns to school.

## LATE WORK

At the discretion of each teacher, work submitted late may result in a reduced grade. Faxes cannot be accepted. Individual teachers will develop guidelines for late work, and communicate these guidelines as part of their class expectations to students and parents at the start of the school year.

## ACADEMIC HONESTY

A plan and guidelines on **ACADEMIC HONESTY** has been established. This school-wide plan, defining examples of Academic Dishonesty and consequences is distributed to all students at the beginning of the school year.

- First Offense: Student receives "zero" for the assignment/test/project, etc. Teacher contacts parent by the end of the day. Referral submitted for documentation.
- Second Offense: In the same class or any other class during the academic year: Student fails the class in which the second offense occurred for the quarter. Referral submitted. A conference between student, parent(s), teacher, and administrator will be scheduled.

- Third Offense: Referral submitted. A conference between student, parent(s), and principal will be scheduled, recommending placement to a regular districted school. Student receives a “zero” for the quarter. Grade is transferred to the receiving school.

## LOCKERS

Lockers may be rented from the office for \$1.00 per year if the lock is brought back from the previous year or \$5.00 if you need to purchase a new lock. You are given this opportunity for the storage of personal belongings, books, and clothing. Money or other valuables should not be kept in your lockers at anytime.

It is the general school policy that any items of value (e.g. cards, MP3 players, etc.) should not be brought to school. Anything a student brings to school is his/her own responsibility. The school cannot be liable for missing, lost, and/or stolen items. **Any students caught vandalizing or defacing lockers will be subject to suspension and arrest.** You are responsible for all materials in your locker.

The administration has the right to hold periodic locker inspections. Private locks are not permitted.

## TRANSPORTATION

Bus transportation will be provided to all students living more than two (2) miles from Pine View School whose school day begins at 9:15 a.m. and ends at 3:52 p.m. A student may request to ride a bus other

than the bus to which they are assigned by obtaining a Temporary Bus Rider. This form may be found in the administration office or on the Pine View website. **For more information, a student/parent should contact the Director of Transportation at 486-2141.** Rules are posted in the front of each bus. These rules are for your protection and must be followed. Any student whose conduct is such that it is distractive to the driver may be given a referral. The first referral usually results in a counseling session with an administrator, or the student may be placed on bus probation or suspended from the bus. Continued disruptions may result in expulsion from the bus for the remainder of the school year.

Students may provide their own transportation to school. Those students riding bikes should park them at the bike rack located by Building 16 and the Science Building. Bikes are to be walked on campus. Skateboards, roller skates, etc. are not permitted.

Driving privileges are extended to high school students. Please ensure that your vehicle is parked in the proper student parking locations. All spaces are numbered and clearly identified. It is very important for everyone to park in appropriately assigned areas. You may obtain a parking **tag** for \$20.00 from the office, which should be hung from the rear view mirror. Under no circumstances should students park in the visitor parking spaces. Failure to abide by the parking guidelines that are distributed with the tags and/or driving recklessly will result in a loss of parking privileges.

## **LOCKERS**

**Please carefully read the locker assignments. Thank you in advance for your cooperation.**

Lockers for students in grades 7-12 will be rented on the following dates:

|                           |                               |

Lockers will be rented outside each pod for \$1.00. If you do not have a school approved lock from last year, the cost to purchase a new lock will be \$5.00. You will keep this lock the entire time you are a Pine View student. Bringing the exact change would be appreciated.

You will not be allowed to rent a locker if you do not have a Pine View combination lock to hang on the locker you select. You must know your combination. Only one locker per student. You must have a lock that day to reserve a locker!!

The procedure to rent a locker will be as follows:

There will be a removable tag on the door of each locker.

- 2 Choose the locker you wish to use (you must abide by the above locker assignments. If you do not, your lock will be removed.)
- 3 Hang your lock on the locker of your choice.
- 4 Write your name, grade, locker number, and combination on the tag, then peel it off the door and take it to the volunteer sitting outside your locker pod. She will give you an index card to write the same information for you to take home.
- 5 You may not buy a locker for anyone else unless you have all the above information and also have their lock to hang on the locker.

If you need to purchase a new lock, go to one of the stations outside each locker pod to purchase one and then follow the above steps.

## **PARKING**

Unfortunately, we are not able to guarantee all students a parking space.  
These are purchased on a First-come/First-serve basis.

High School students may purchase their parking tags on these same days for \$20.00 in the Student Union (high school side). All student parking will be in the shell lot on the south end of campus and each grade will have assigned lanes. **Students must show a valid driver's license (not learner's permit) to secure a parking space.**

## Partners & Alliances Linking Schools VOLUNTEER NEWS

Pine View has once again logged in thousands of hours for the 2013-2014 school year, thanks to all our dedicated volunteers! These hours are important because they qualify Pine View for the prestigious Golden School Award.

A special thank you to all the ambitious volunteers that prepared, hosted and cleaned up after the 5<sup>th</sup>, 8<sup>th</sup>, and 12<sup>th</sup> grade graduations and celebrations. These events were the climax of another successful year at Pine View School. Good luck to all those students, we are proud of you!

### WELCOME NEW VOLUNTEERS!

One of Pine View's biggest assets is our active and dedicated family of volunteers. We strongly encourage all parents to volunteer their time and services. Our volunteers possess an amazing collection of talents and resources! Volunteer, you'll have a great time and provide a vital service for our students!

All volunteers need to complete this process:

#### PALS VOLUNTEER REGISTRATION

- \* The Sarasota County School Board mandates that all volunteers and chaperones complete the on-line registration with PALS each school year.
- \* Registration can be done at Pine View on the PALS computer located in the office, at the front desk. The PALS on-line registration takes only a few minutes to complete. If you register with PALS at another Sarasota County public school, you must specify Pine View as one of the schools at which you will volunteer.
- \* If a volunteer is not on file, they will not be allowed to volunteer or chaperone a field trip.
- \* **VOLUNTEERS MUST REGISTER EACH SCHOOL YEAR.** If you are a returning volunteer/chaperone to Pine View, please remember that you will need to update your information for the 2014-2015 school year.

#### PALS VOLUNTEER CHECK-IN

- \* When volunteering at Pine View for an activity, fundraiser, tutoring, or to chaperone a field trip, volunteers must go to the office and login on the volunteer computer using their Social Security number.
- \* After signing in at the front desk, a visitor pass will be issued and must be worn while on campus.

#### \* \* \* IMPORTANT SECURITY NOTICE \* \* \*

To better protect our students, our campus screens for registered sex offenders using the Raptor system. A valid State issued ID is required to enter our campus. Any visitor to Pine View must go to the office and present their State ID and have it scanned. After approval, a visitor pass will be issued to the visitor and must be worn at all times while on campus. The system updates on a regular basis.

Thank you for your cooperation in this very important security procedure.

### Important yearbook ordering information:

- Pre-order and SAVE over 30% if you purchase by the FAIR! Yearbooks are sold exclusively through **YEARBOOKFOREVER.COM** and at select school events (OPEN HOUSE). Watch for a link on the PV Home Page.
- Pre-ordering a yearbook guarantees your student a book.
- Limited scholarships available. Please contact Ms. Shannon by Dec 18<sup>th</sup>

The yearbook is always looking for candid action shots of Pine View students! If you'd like to submit pictures to the yearbook, please e-mail pictures to [theviewpv@gmail.com](mailto:theviewpv@gmail.com) OR burn pictures to a CD. Include names of the students in the picture and what they're doing in the body of your e-mail or on a separate sheet of paper. Pictures of off-campus and after-school events, sports, and clubs are especially needed!

*NOTE: Pictures submitted to the yearbook will not be returned and may/may not be included in the yearbook.*

Please visit our website (<http://www.myteacherpages.com/webpages/PVYearbook>) for more information or e-mail us at [theviewpv@gmail.com](mailto:theviewpv@gmail.com) with any questions.

## SET THE P.A.C.E.

*Partners to Achieve Classroom Excellence*

Please consider sponsoring a classroom(s) this year through P.A.C.E! The PVA P.A.C.E. committee generates valuable donations for our teachers and instructional staff to purchase additional classroom items such as: software, classroom books, visual aids, enrichment materials and many other items.

**NEW in 2014!: Unlimited P.A.C.E. donations may be made per classroom. Due to overwhelming demand, we are no longer instituting the \$600 maximum cap per class.** It's not necessary for your child to be in the classroom(s) that you choose to sponsor. Departments such as PE, music, art, computer lab, foreign language, chorus, band, orchestra, media center, guidance, and others need sponsors too!

**To become a P.A.C.E. sponsor, complete the form below and make your TAX-DEDUCTIBLE CONTRIBUTION today!**

**September 26, 2014 is the Deadline for accepting donations!**

For Grades 2-5 and Department donations contact Jill Creevy at [jcreevyl23@verizon.net](mailto:jcreevyl23@verizon.net) or 941-993-7391. For grades 6-12 donations contact Jill Middleton at [jillecmiddleton@hotmail.com](mailto:jillecmiddleton@hotmail.com) or 941-416-1976

**RETURN TO FRONT OFFICE NO LATER THAN SEPTEMBER 26, 2014**

# FRIENDSHIP BENCH

No child should feel alone – that is the purpose of The Friendship Bench. The Friendship Bench allows children to sit with others and make new friends. The Pine View Peace Action Committee wants to bring this bench to our campus. Please contribute to help this dream become reality.

To make a donation, look for the Collection Jar in Guidance.

# ADVERTISE YOUR BUSINESS IN PINE VIEWS!

Pine Views provides a fantastic and targeted opportunity to promote your business, organization, or club to more than 2,000 of Pine View's families, faculty, staff, and business owners. Pine Views is a popular, must-read resource for Pine View families (most families read it cover to cover), and advertising in Pine Views not only provides a unique opportunity to communicate with our families, business owners and staff but has the added benefit of supporting Pine View School. Plus, PV families are incredibly loyal to the businesses that support our school **All advertisements and payments must be received by the 10th of the month to be included in the following month's issue.** Pine Views is published by PVA and provided free to every student family.
